ABOUT WILL SHARP JEWELLERY

Will is a contemporary jeweller currently based at The Art House - Wakefield, UK. He graduated in 2019 from the Glasgow School of Art with first class honours. Will was the 2019 recipient of the Hallmark Studio's New Designers Award. Inspired by all things Mid-century, Will has a multi-disciplinary approach to his process which involves CAD design, 3D printing and precious metal casting along with hand fabrication. His work focuses on developing jewellery efficiently and responsibly, key materials he uses are recycled silver and PLA a plant based renewable bio-plastic. In 2025 Will worked on a major project with the world renowned musician Fred Again.. producing the USB necklace for the USBoo2 world tour. His work has also been worn by international musicians including CMAT for features in Time Out Magazine and the Guardian.
