Wholesale Booklet 2026

*Hi!  I'm Chloe O'Neill,  
a jewellery designer  
from Ireland. *

**Cuteryko is an  
accessories  
brand that  
specialises in  
all things  
cute!**

**What started as a fun side project quickly gained popularity, leading Chlöe to take the leap and pursue Cuteryko full-time. As the brand has grown, our designs have matured – each new piece is meticulously handmade, with inspiration ranging from favourite cocktails to classic Irish culture. Despite this evolution, Cuteryko remains committed to its core passion: crafting unique, statement pieces that allow people to express their own individuality!**
