

APPLE & CLOVER

AUTUMN & CHRISTMAS 2026

For over a decade, we've been crafting beautiful, unique and sustainably sourced greetings cards and stationery. From elegant, gold-foiled notebooks to our hand-finished, ribbon-bow cards, every piece is thoughtfully designed with love, care and meticulous attention to detail.

Proudly British, we remain committed to our roots. Over a decade on, all our cards are still printed in the UK and hand-finished by a team of skilled craftspeople in Gloucestershire, England. We exclusively use FSC-certified paper and card, ensuring wood pulp comes from sustainably managed forests.

To further our eco-friendly approach, we are moving away from packing our cards in individual bags, as standard. The exception is our hand-finished cards which will remain in compostable, biodegradable and recyclable bags. However, we are committed to servicing your needs and can continue to pack all your cards in bags, if required. Please get in touch if you have specific packaging requirements.

You can explore and purchase our collection by applying for a trade account on our website www.appleandclover.com/trade, or through Faire www.faire.com/en-gb/direct/appleandclover.

We hope you enjoy our latest collection as much as we've enjoyed creating it and we wish you a wonderful season ahead!

Warm regards,

Jo, Mike & the Apple & Clover team
