

BLOCK

STACKING BOROSILICATE GLASSWARE

BLOCK is an everyday glassware range with a geometric silhouette.

Paired-back in design, the glasses are easy to live with while maintaining a strong graphic character. The tumblers are well proportioned for everyday use, whether for water, juice or beer.

The distinct stepped form creates a natural grip for the hand and brings a subtle rhythm to the table when set together.

Designed to stack neatly to save all-important cupboard space.
