GOOD DESIGN FOR DAILY LIFE

STORY

The brand was founded in **2020** by the designer **Aaron Probyn**, on the principle that good design lasts a lifetime. With almost 20 years of experience partnering with renowned brands, we create products that enrich everyday life. Our holistic approach considers materials and manufacturing methods, aiming to create products that can last a lifetime and beyond with proper care.

Our focus is on lasting products that defy seasonal trends and promote sustainability. We choose to work with honest materials. Our passion for reducing the environmental impact of our products also extends to their packaging, using unbleached recyclable card and minimising single-use plastic.

AARON PROBYN

Aaron established a presence within the design industry 20 years ago, creating award-winning products while working for respected brands including **Habitat, Conran and Tom Dixon.**

In **2012**, he established his eponymous design studio and consults on projects for global companies including **The Conran Shop, Another Country, Waterford, Crate & Barrell, Ikea, Normann Copenhagen** and **West Elm.**

MANUFACTURING

We have a real passion for manufacturing, craftsmanship and a respect for the finite material resources we have on Earth.

Over two decades, we've built a remarkable network of like-minded manufacturers who help us fulfill our commitment to fine craftsmanship and conscious manufacturing.

By producing in limited quantities, we minimize waste, avoid excess stock, and ensure superior product quality with meticulous attention to detail.

COLLECTION

Our range of beautifully designed products aims to be both useful and emotionally engaging, enriching the everyday with carefully curated materials, colors, and shapes.

Our products sit together harmoniously, creating a relaxed and natural home environment.

COVE

ORGANIC BOROSILICATE GLASSWARE

COVE glassware range combines sculptural forms with functionality. The organic, uneven silhouettes of the tumblers echo the fluid forms created by nature, adding interest to the table, while feeling tactile and a pleasure to hold in hand. Each glass is skillfully handcrafted from light and robust borosilicate glass, and finished with a delicate gold rim, enhancing the unique shape.

RYE

STACKING HOLLOW STEM WINE GLASS

RYE glassware range has been designed to elevate the drinking experience, whether it is water, beer, wine or a meticulously mixed cocktail. The **RYE Wine Glass** extends the language of the range into stemware. Skilfully handcrafted from durable borosilicate glass, the glasses are designed to stack. Stems and feet are finished in alternating colours within the set, adding a playful touch. The subtle accent of coloured glass in the stem contrasts with the drink whilst still allowing you to appreciate its shade.

ECLIPSE

CANDLE HOLDERS

ECLIPSE candle holders are a striking minimalist design crafted from solid brass giving the product weight and substance. The wide disc frames the candle, while creating an illusion of floating above a table surface. For maximum effect use several clustered together to create a dynamic tablescape.
