Wholesale Terms

Wholesale pricing

All products are priced at 40% of the recommended retail price, giving you a clear and consistent margin.

Minimum orders

Starter orders begin at £120 for first time stockists. Standard wholesale orders begin at £150, with smaller top up orders available for existing stockists.

Flexible ordering

There are no minimum quantities per design, colour or gemstone, so you can build a range that suits your customers.

Lead time

Orders are usually prepared within 1 to 2 weeks. We will always let you know in advance if additional production time is required.

Delivery

Tracked UK delivery is £10.

Delivery is free on orders over £250.

Payment

Payment is due before dispatch on first orders. Account terms may be available by agreement for established stockists.

Packaging

Products are supplied ready for retail on premium branded backing cards or in gift boxes, depending on the style and your chosen presentation. Packaging is recyclable or biodegradable wherever possible.

Retailer support

Displays, point of sale material, barcodes, price stickers and bespoke packaging support are available by request.
