Tartan has been part of Scotland's story for centuries, with distinctive patterns traditionally associated with clans, regions and a strong sense of identity and craftsmanship.

Drawing on this rich heritage, the Hines of Oxford Tartan Collection brings classic pattern and colour into a versatile range of cushions designed for today's interiors. With warm tones, timeless checks and enduring appeal, the collection sits comfortably across both traditional and contemporary settings.

For retailers, Tartan offers a familiar and proven look with strong year-round appeal, adding warmth, character and a sense of heritage to Home Interior collections.
