

Cloudberries

**Goodbye, boring puzzles.
Hello Cloudberryes.**

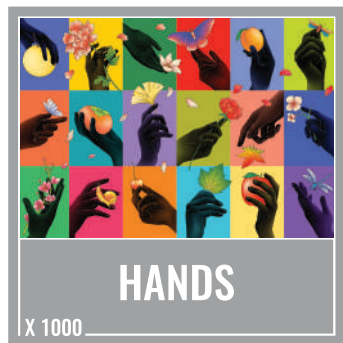

PIECE PUZZLES

GRADIENT

Featuring nothing but 1000 coloured pieces and a subtle gradient effect, this beautiful, vibrant jigsaw is perfect for grown ups!

HANDS

Puzzle Nerds can't wait to get their hands on this cool, abstract puzzle, which bursts with fun colours and details.

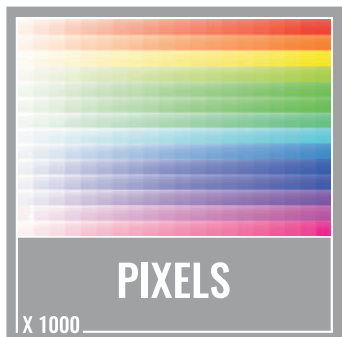

BACKYARD

Packed with potted plants and flowering cacti, this pretty 1000-piece puzzle is sure to prickle your fancy!

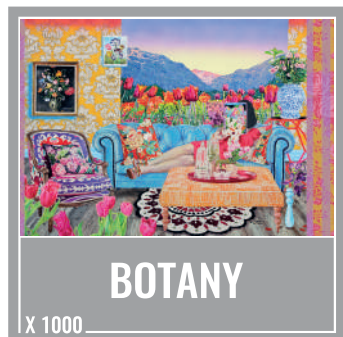

SKYLINE

The sky's the limit with this premium puzzle, which features the bold neon colours of a night-time cityscape.

PIXELS

Take a step back from the screen and embrace your inner square with this pretty pixelated puzzle.

BOTANY

Floral walls, floral paintings and even a floral backdrop. This fun, flowery jigsaw is blooming brilliant.

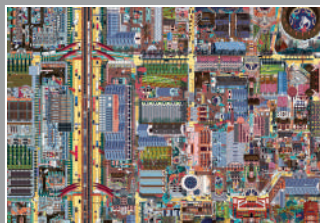

DOODLE

There are no noodles or poodles in the puzzle we call Doodle. But you will find crazy shapes and a fish with a moon for an eye.

OUTPOST

Overgrown forests and giant things with wings! Expect the unexpected when piecing together this surreal, otherworldly jigsaw.

CROSSROADS

X 1000

CROSSROADS

Look left and right before crossing! There are some surprises in this super-detailed city map, home to trucks, trains, people and cars.

SHELLS

X 1000

SHELLS

She sells sea shells on the seashore. This monochrome puzzle is even harder than that tricky tongue twister!

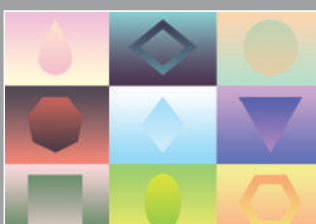

CANVAS

X 1000

CANVAS

Watch for subtle changes in shade and form as you work your way across an artist's canvas, testing your colour vision with every piece!

GEOMETRY

X 1000

GEOMETRY

Forget what you learnt in maths class! Geometry really can be fun, and here is the puzzle to prove it.

POOLSIDE

X 1000

POOLSIDE

This nostalgia-soaked beauty invites you to the poolside, where you'll find inflatables, a pink flamingo and one very tasty banana!

CELESTIAL

X 1000

CELESTIAL

Who needs a GPS when you've got this vintage star chart? Puzzle your way through the night sky, finding intricate details as you go!

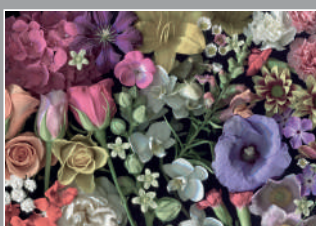

PATCHWORK

X 1000

PATCHWORK

Do your grandmother proud by stitching together this quilt-like jigsaw, which has 35 kaleidoscopically colourful patches.

FLOWERS

X 1000

FLOWERS

Like a walk through an English garden! We scanned real flowers to make this fresh-as-a-daisy puzzle burst into life.

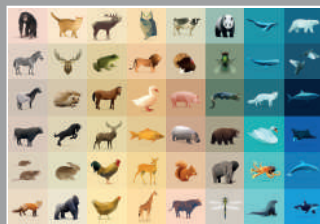

AQUATIC

X 1000

AQUATIC

There's something reel-y fishy about this premium jigsaw puzzle, which comes with 1000 beautifully cut pieces.

FAUNA

X 1000

FAUNA

Have a whale of a time with this really wild puzzle, which invites you to piece together creatures great and small.

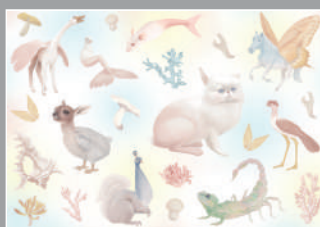

SYMMETRY

X 1000

SYMMETRY

With swirling wheels, symmetrical patterns and cool star motifs, this one's a real treat for puzzlers who want an extra challenge.

HYBRIDS

X 1000

HYBRIDS

Activate your inner dreamer with this gorgeous puzzle – it's packed with pastel colours, ethereal shades, and some mysterious, mythical animals!

CHROMATIC

X 1000

CHROMATIC

Let your mind run wild with this colour-drenched jigsaw, which takes you through a surreal landscape of bright, bold tones.

EGYPTOLOGY

X 1000

EGYPTOLOGY

So you sphinx you're a good puzzler? Well you're either in love with this design, or you're in 'da Nile'.

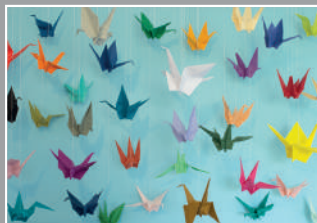

WAVES

X 1000

WAVES

Wave goodbye to boring puzzles! This one blends rainbow hues in a calming, curvy design that's just... swell!

ORIGAMI

X 1000

ORIGAMI

Do you have a black belt in origami? Then you'll love this jigsaw full of paper cranes. We folded those birds ourselves!

LONDON

London's never looked so good! This puzzle takes you on a tour of the British capital's best-known attractions. Mind the gap!

MOUNTAIN

With an icy-blue peak, the devilishly difficult 1000-piece puzzle we call Mountain is a tough one to summit.

ROOSTER

Cock cock, who's there? We're simply crowing about this beautifully illustrated 1000-piece jigsaw puzzle!

FEAST

This food jigsaw is best shared with friends, so don't be 'shellfish' – the cool, minimalist design will make you hungry for more!

BLOOM

X 1000

BLOOM

We love this bright, challenging jigsaw. And there are plenty of easy sections to keep 'budding' puzzlers happy!

CURIOSITIES

X 1000

CURIOSITIES

Packed with delightful details, whacky objects and cool curios, this puzzle offers a masterclass in the weird and wonderful.

CRYSTALS

X 1000

CRYSTALS

A real gem of a jigsaw puzzle, full of pretty crystals. The subtle gradient at the back will help you stay on track.

EPICUREAN

X 1000

EPICUREAN

This modern art puzzle is full of tempting treats including an overflowing fruit bowl, a trio of delicious cakes and dishes of fresh salad.

DREAMSCAPE

X 1000

DREAMSCAPE

Dream on, puzzlers! This dreamy abstract puzzle is a psychedelic riot of colour and shapes that is great fun to put together.

PANTRY

X 1000

PANTRY

This tasty food puzzle will add plenty of zest and flavour to your puzzling life, with its beautiful illustrations of herbs and spices.

GREEN

X 1000

GREEN

With one tree planted for every Cloudberry puzzle sold, this fun design is green in more ways than one!

DAYDREAM

X 1000

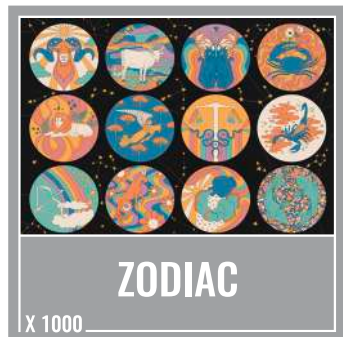

DAYDREAM

Journey to a mystical world that's home to butterflies, mountaintops, and some of our dreamiest colour combos yet!

RED

We could have called it crimson, scarlet, cherry or vermillion, but RED seemed a little easier. Expect plenty of rouge!

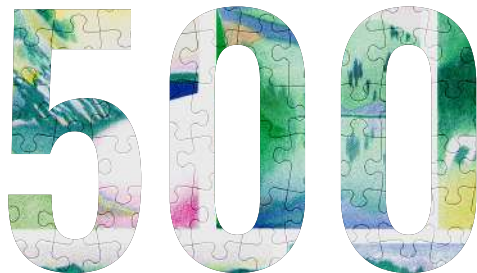

ZODIAC

It's written in the stars! Piece together the 12 signs of the zodiac, set against an inky black sky that's speckled with constellations.

PIECE PUZZLES

SNOW

This fun, 500-piece puzzle is packed with twinkling lights and snow-covered pines, allowing you to get lost in a winter wonderland like no other.

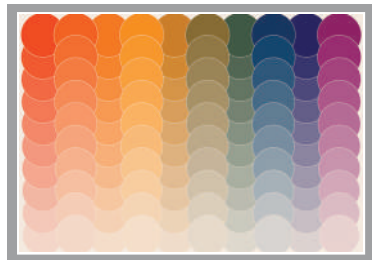

HIDEAWAY

With soothing blues, lush tropical plants and a lazy vacation vibe, HIDEAWAY will leave you feeling calm and collected.

GRADIENT

Meet the 500-piece version of our insanely popular GRADIENT puzzle, with a dazzling spectrum of colours that subtly flow into one another.

CASCADE

You'll want to dive straight into CASCADE, with its soothing curvy circles and vibrant 1970s-inspired colours.

COURTYARD

Once you've seen this with your own eyes, you won't be able to 'leaf' it on the shelf!

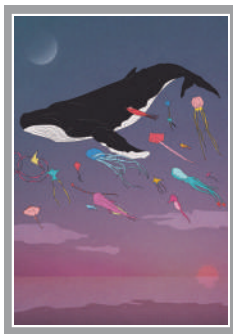

PETALS

Rock 'n' roll, puzzlers, it's time for some heavy petal! Just joking, this is a chilled 500-piecer.

WILDERNESS

It's wild! Lose yourself in a rugged landscape of wintery woods, verdant valleys, stunning sunsets and scenic seascapes.

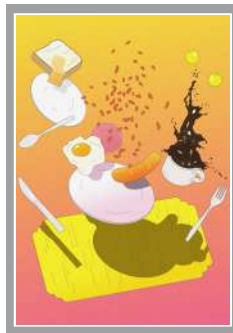

WHALE

Dive into our dreamy WHALE puzzle and 'sea' if you can spot which creatures are gliding through the purply-blue sky.

BUILDINGS

Channel your inner architect, constructing brilliant bridges and mega monuments!

BREAKFAST

Join the Breakfast Club with our fun foodie puzzle based on the best meal of the day. It's no yolk!

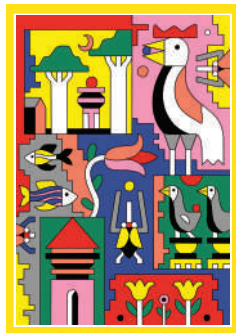

CROWDBERRIES

What happens when you let hundreds of nerds design a jigsaw together? We found out, making history in the process!

PUZZLES

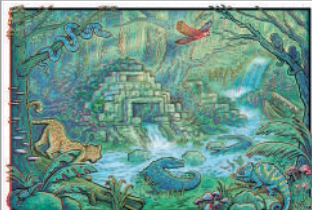

CHRISTMAS

X 1000

CHRISTMAS 3D

Sleigh what?! The snuggle is real with CHRISTMAS – the first-ever festive jigsaw puzzle that comes with 3D glasses!

JUNGLE

X 1000

JUNGLE 3D

Welcome to the jungle, puzzlers! Go wild over our genius 3D jungle puzzle, packed with animals, ruined temples and gushing rivers.

SPACE 3D

This 3D puzzle takes jigsaws to a new dimension, with an astronaut leaping out from a background of shimmering stars.

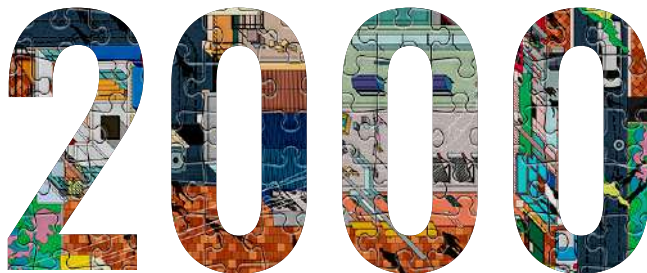

DINOSAURS 3D

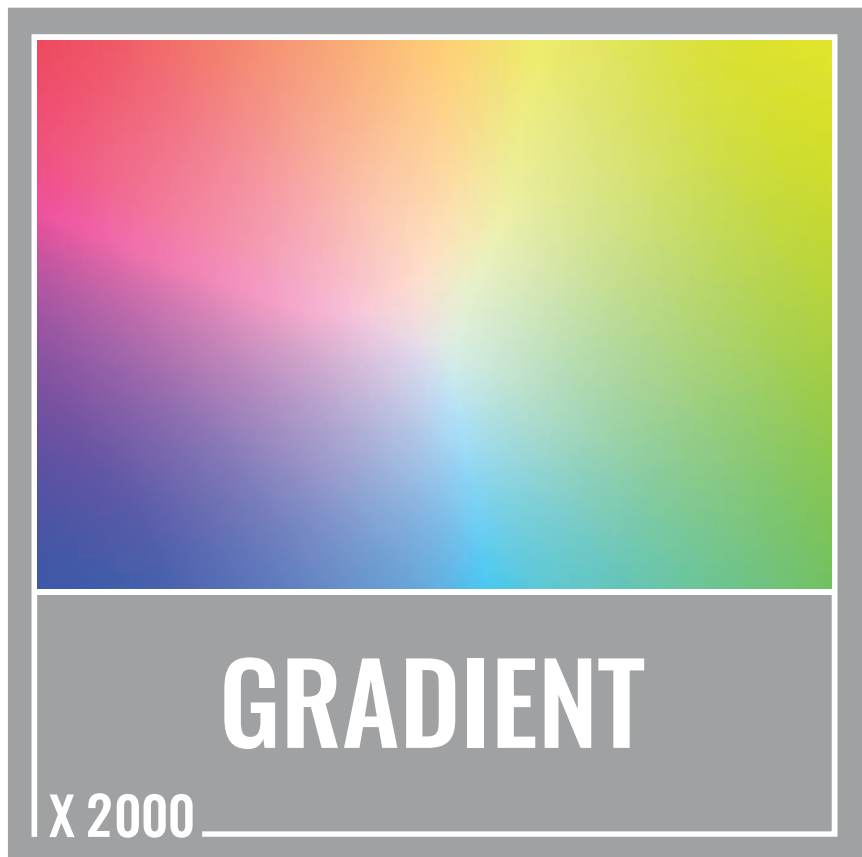

This mega-cool puzzle comes with two pairs of roar-some 3D glasses, which make the dinos pop right out at you!

The number 2000 is rendered in a large, bold font where each digit is composed of numerous interlocking puzzle pieces. The pieces feature a variety of colorful, abstract patterns and designs, creating a mosaic effect. The overall shape of the number is slightly irregular due to the nature of the puzzle pieces.

PIECE PUZZLES

GRADIENT

Bigger is better! We've given our insanely popular gradient puzzle a serious size increase to make the joy last even longer.

METROPOLIS

X 2000

METROPOLIS

Get a birds-eye view of a busy city centre with METROPOLIS – an architectural delight of towering apartment blocks and crowded streets.

REFLECTION

X 2000

REFLECTION

The big sister of our crazy-popular SYMMETRY puzzle, this super-complex 2000-piecer is as challenging as it is beautiful!

Cloudberries

We're Cloudberries, and we make beautiful puzzles for adults. Designed in the UK and made in Europe to the highest possible standards, our super-cool jigsaws are edgy enough for an art gallery – but to be honest, they also look great on the kitchen table.

Our jigsaws come in simple, good-looking boxes, which makes them a big hit with everyone from casual gift buyers to proper puzzle nerds. They're loads of fun to put together, and consistently get five-star reviews from happy customers around the world. Our puzzles sell well all year round with high RRP's, allowing resellers and distributors the chance to make excellent returns.

- Made in Europe
- Premium quality
- Forest friendly *
- Fresh, modern designs
- Beautifully simple boxes
- Expertly cut pieces
- Linen finish to reduce glare
- Super shareable on social media
- Trusted by leading bookshops and department stores
- Absolutely no castles or cottages

* We use responsibly sourced FSC board for all of our puzzles. From January 2020 onwards we're also planting a tree for every puzzle sold. Read more at cloudberry.co.uk
