# British Library 2022 Wholesale Catalogue

Welcome to our 2022 wholesale catalogue, we're very excited to be launching new ranges and gifts alongside our existing bestsellers.

I would like to take this opportunity to thank you for your continued support, and hope that you enjoy our items presented in this catalogue.

The British Library is the national library of the United Kingdom and one of the world's greatest research libraries. It offers unparalleled access to the world's largest and most comprehensive research collection. Our collection has developed over 250 years and is still growing – this is the inspiration behind our merchandise ranges and publishing.

Warm wishes,

**Rebecca Nuotio**
