

## MOA PRODUCTS

MOA create natural and organic skincare products, made in England, inspired by old herbal folklore and with a sprinkling of magic!

Our hero herb yarrow (*Achillea Millefolium*), is shrouded by tales of folklore and can be found beside hedgerows all across the UK. The miraculous powers of this ancient healing herb have been used for millennia to protect and repair.

Named after Greek hero Achilles, who legend has it, used it to heal his soldiers' wounds after battle.

Made with carefully selected botanical ingredients to enhance wellbeing and to practice a simple, yet effective daily skin care ritual. MOA potions are cruelty free, do not use petrochemicals (mineral oil), parabens, SLS, phthalates, fillers or artificial fragrance and our newer products are entirely plant based and suitable for vegans.

MOA strives to work in harmony with mother nature, each product is considered mindfully and consciously, always on the search for local ingredients and keen to support a sustainable future.

Our products are packaged with recycled board and printed with vegetable inks, whilst we encourage recycling, upcycling and actively seek to reduce the use of plastic where possible.

## THE GREEN BALM 15ml & 50ml

Our original product, The Green Balm is an organic multi-purpose healing balm, and some might say, it's a miracle! Keep a pot handy for any little crisis. With MOA's hero herb yarrow (*Achillea millefolium*), used for millenia to soothe, heal and repair, along with tea tree oil, nature's powerful antiseptic.

- Calm dry, itchy skin patches; minor rashes, eczema and psoriasis
- Help soothe minor cuts, grazes, blisters, bruises and burns
- Zap those pesky insect bites and stings
- Treat chapped lips and kiss goodbye to the dreaded coldsore!
- Calm inflamed skin after shaving, waxing or threading
- Anti-bacterial, to soothe new tattoos or piercings
- Remove make-up, use as a hot cloth cleansing balm...

## DAILY CLEANSING RITUAL

50ml plus cloth

Inside each Daily Cleansing Ritual you'll find a super-soft bamboo face cloth and a 50ml pot of The Green Balm to make the perfect hot cloth cleansing kit.

Hot cloth cleansing doesn't strip the skin of its natural oils, which can cause break outs, it balances and nourishes the skin. Give your skin a balancing deep cleanse; remove excess oils and impurities by following the simple daily routine as printed on the box.

Ideal for oily, acne skin as well as dry and sensitive skin types. The Green Balm is safe to use around the eyes and removes caked-on eye makeup; this simple daily skin treatment leaves the skin balanced and glowing.

## BAMBOO FACE CLOTH TRIO

3x cloths

A trio of face cloths in an organic cotton drawstring bag, designed to get everyone hot cloth cleansing and moving away from using disposable wipes.

These eco bamboo face cloths are luxuriously soft and an essential part of your hot cloth cleansing routine. Wipe away makeup, grime and impurities effortlessly, to leave the skin feeling toned and clean.

Made from 70% bamboo and 30% cotton; bamboo fibre is naturally anti-bacterial and it's also one of the most sustainable materials on the planet. Machine washable to reuse time after time, so you can have one in the wash whilst the other is in use.

Shine bright for the rest of the day!

MINERAL SOAK

HIMALAYAN & SEA SALT  
LAVENDER, PINE & CARDAMOM

## DREAMY MINERAL SOAK

100g & 400g

Wash away the day's worries and relax both mind and body with our dreamy bedtime mineral soak.

For thousands of years the therapeutic qualities of salt baths have been highly acclaimed. Mineral rich Himalayan pink salt and sea salt cleanse and purify the skin whilst helping to kick-start sluggish circulation.

A salt bath restores hydration, so it won't leave your skin wrinkly.

The calming aromatic properties of lavender essential oil promote relaxation, whilst spicy cardamom oil offers relief from emotional stress. Antiseptic lemon peel brightens, and along with pine oil, helps to combat problematic, oily skin and blemishes. Vegan.
