

Catherine Rayner  
CARDS

Welcome to my greetings card range!

I'm delighted to share my latest collection with you. I am a children's illustrator and author and these cards enable me to share my much-loved characters with you and your customers.

I have chosen a mixture of my published book characters alongside other animals I have drawn to complete this carefully designed selection. Most recently, I have added a collection of dog breeds due to popular demand. I hope you can find a creature in here for every occasion!

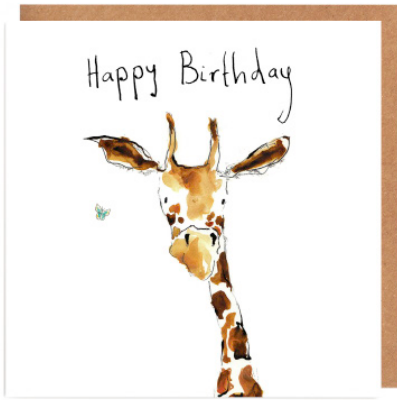

All cards are designed in my studio in Edinburgh and are proudly printed in my home county of Yorkshire. We use beautiful, eco-friendly watercolour board. You will find all pricing and order details on the back page.

I hope you enjoy browsing this catalogue and I'd love to hear what you and your customers think.

Wishing you a happy and successful 2023!

Catherine Payne
