# X Reality

Virtual Reality --- Augmented Reality --- Mixed Reality

(Today's focus on collective training environment)

*X Reality provides a new  
dimension of training -  
Are we ready for this ?*

*More cost efficient ?*

*Limits of supporting training ?*

*Away from facility based to point of need  
training*

*X Reality - what comes next ?*

*Technical challenges ?*

*X Reality Standards needed ?*
