Acute & General Medicine, Cardiovascular Professional Care, Anaesthesia & Critical Care and Future Surgery are sponsored by the pharmaceutical and med tech industries via grants, sponsorship, and exhibition packages. Pharmaceutical companies have solely provided sponsorship through the purchase of exhibition space and/or sponsored speaker sessions. Pharmaceutical companies have had no editorial input into or control over the agenda, content development or choice of speakers, nor opportunity to influence except for the sponsored symposia presentations. Sessions delivered with input from our sponsors will always be marked on the programme. All sessions were accurate at the time of print. For updates please visit the Event App.
