# CPC Live Conference Programme

## PCN LEAD PHARMACIST ROUNDTABLE SERIES

4:30 – 6pm – Across all 3 days.

This series of roundtables has been designed specifically for Senior Pharmacists leading a PCN or federation teams of GP clinical pharmacists and pharmacy technicians.

By attending this facilitated series, you will hear from peers about the challenges and how these can be overcome. Each day the roundtable will cover a different theme and will be chaired by a Soar Beyond Pharmacist Director. Soar Beyond is supporting primary care pharmacist workforce teams and their leaders through the i2i Network and i2i SMART platform.

WEDNESDAY	Developing, leading and retaining a pharmacy workforce to meet PCN needs	<ul style="list-style-type: none"><li>Challenges of recruiting and developing a sustainable pharmacy workforce of different backgrounds</li><li>Meeting requirements and managing expectations</li><li>Leading teams with different background</li></ul>
THURSDAY	Planning, delivering and maximising the PCN DES & IIF (Impact & Investment Fund)	<ul style="list-style-type: none"><li>Sharing understanding of minimum DES requirements</li><li>Managing member practice and Clinical Director expectations</li><li>Delivery planning, monitoring and evaluating impact</li></ul>
FRIDAY	Skills and development needs for Lead Pharmacists	<ul style="list-style-type: none"><li>Identifying the capabilities and skills needed by lead pharmacists</li><li>Taking stock of what is available to support currently</li><li>Identifying what is needed and how we can support each other better</li></ul>

Niall O'kane

Jen Weston

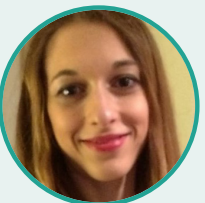

Ziad Lakloul

Helen Garrood

Femeeda Padhani

Christina Gkali

## PRE-REGISTRATION AND PROVISIONALLY REGISTERED PHARMACISTS CALCULATION WORKSHOPS

6 – 8pm – Across all 3 days.

CPC and Babir Malik are once again offering Pre-Registration and Provisionally Registered Pharmacists a chance to practice 20 calculation questions online. The session will cover questions from all areas of the GPhC Framework.

Feedback will be given on each question immediately after to ensure that each person fully understands how to answer all the questions.

Babir Malik
