WHAT OUR EXHIBITORS AND YOUR COMPETITORS THINK...

"Participating as an exhibitor at the Clinical Pharmacy Congress was a highly rewarding experience for GPI Britannia. It provided an excellent opportunity to engage with pharmacists and decision-makers from the NHS, allowing us to showcase our innovative solutions. The interactions and feedback received have been invaluable, and we look forward to continuing to support the healthcare community with our cutting-edge offerings."

GPI Britannia

"Another great event - the topics arranged were relevant to the 'now', and had such a good opportunity to network"

Arden & GEM CSU

"Good quality people attending which meant we had fewer but more realistic leads."

Labcold Ltd

"Met the people we needed to meet. Identified key issues and themes that are topical in the NHS"

Rx Info Ltd

"For Haier Biomedical, Clinical Pharmacy Congress is an event that enables us to share innovations and discuss trends and challenges within the sector to ensure we develop solutions for the future of the sector."

Haier Biomedical

"Event was busy most of the time. The type of people that came to the stand were good leads for the business."

Berkeley Health

"It was a great demographic for us - we had great results, everyone was attentive and interested."

AFT Pharma UK

"It was a great forum to explain our business personally to those who either did not know about Sciensus at all, or did not realise the scope of our digital offerings."

Sciensus
