WELCOME TO DIABETES PROFESSIONAL CARE 2024

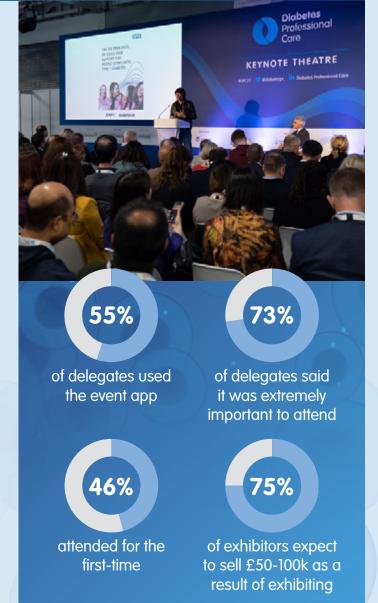

Welcome

Diabetes Professional Care, on 15-16 October 2024 at Olympia

London, is the perfect opportunity to bring your product and service to life in front of the largest gathering of diabetes healthcare professionals in the UK. You'll showcase your offering to the people who will benefit from and advocate it, and to those who make the purchase decisions.

Who will you meet?

We welcome the multi-disciplinary team, including diabetes / endo consultants, nephrologists, cardiologists, renal nurses, diabetic specialist nurses, vascular access nurses, tissue viability nurses, diabetic podiatrists, pharmacists, pharmacy technicians, dietitians, clinical directors, ICB leads, etc.

WHY SHOULD YOU JOIN US?

1. Thought Leadership

Position your brand as a market leader and influence a captive audience. Share your expertise on a relevant topic in a speaking slot on the exhibition floor, with sessions made available to thousands of delegates.

2. Lead Generation

Showcase how your product, service or innovation will address the challenges of your target audience. You'll build new relationships and strengthen existing ones by providing them with tailored advice and solutions.

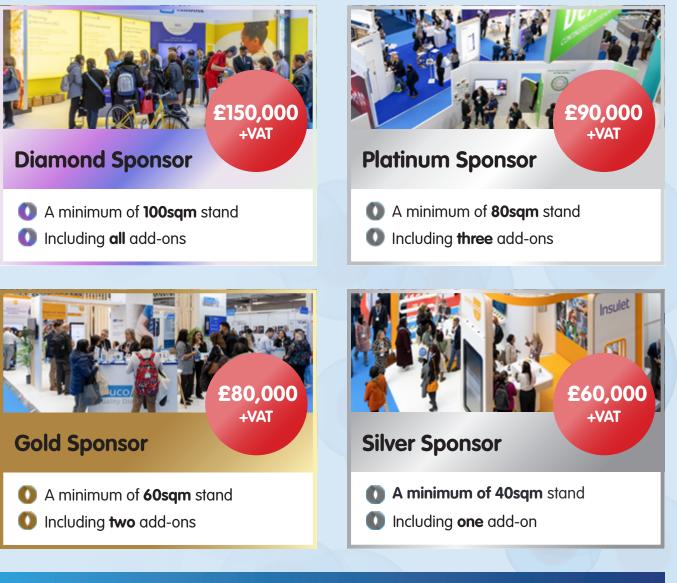

3. Brand Awareness

Your competitors will be attending. You'll gain maximum ROI in this perfect opportunity to increase your market share and be seen via various marketing and branding opportunities before, during and after the event.

Interested in sponsoring?

Sponsors are an integral part of Diabetes Professional Care. By positioning your company at the centre of it all, you will help maximise your ROI as you share your unparalleled knowledge and unrivalled expertise with thousands of prescribers, payers and influencers.

You can choose the right sponsorship items to suit your needs, rather than bundling items together that may not benefit you. Your sponsorship tier will be based on your total expenditure across your stand, symposia, and sponsorship bookings combined.

Add-ons include:

- Holding slides in the open theatres, shown between sessions in the conference
- 🚺 Seat drop in symposia
- Push notification sent to all delegates on the official event app
- Literature distribution on display racks in registration and catering areas
- 5 commercial delegate passes
- Inclusion in e-newsletter sent to delegates (pre or post show)

Interested in exhibiting?

Book a stand and network face-to-face with 3,800+ total attendees with the responsibility for prescribing, recommending, commissioning and financing diabetes care. You'll generate new leads, build your pipeline and boost your brand presence. Get in touch to discuss the best way you can get involved to achieve your business objectives.

- 🚺 Pre-built stand with walls and carpet
- One lead retrieval scanning app license
- Website listing with logo, profile and link to your website and social media
- Official event app listing with logo, profile and link to your website and social media
- Dedicated exhibitor news platform on website
- Bespoke marketing collaborations to help meet your commercial goals

- Space to build your bespoke stand
- One lead retrieval scanning app license
- Website listing with logo, profile and link to your website and social media
- Official event app listing with logo, profile and link to your website and social media
- Dedicated exhibitor news platform on website
- Bespoke marketing collaborations to help meet your commercial goals

Sponsorship Highlights

Lunch & Learn Educational Opportunities (60 mins)

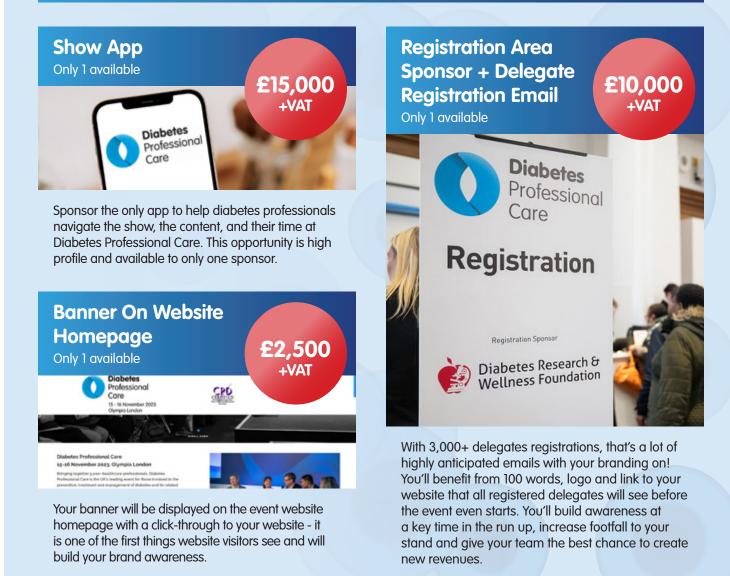

Brunch/Breakfast Educational Opportunities (45 mins)

Number available: 10

- An increased opportunity for driving high attendance
- Branding on screen throughout session
- Sponsor accreditation on the holding slide
- Opportunity to drive those who have shown interest in your session to your stand and convert educational interest into new business
- Access attendee data from your session
- Opportunity to upgrade the lunch to a Buddha Bowl (£23 per delegate)

PROMOTIONAL OPPORTUNITIES AT THE EVENT

Promotional Opportunities

A superior option for raising your profile. You'll have exclusive branding of the largest and busiest area on the exhibition floor where all delegates pass through for refreshments and lunch.

Receive the data for all attendees who log onto the WiFi and build your brand awareness from this exclusive, high-profile opportunity.

A great opportunity to raise your profile and increase your brand awareness. Sponsor the seated area on the upstairs floor, place your brand on it and gain maximum exposure.

Place your brand for everyone to see with a banner above the exhibition floor. *Rigging costs are provided by Olympia London Rigging. Sponsor to produce.

This high impact opportunity will be seen by all delegates. Sponsor the main thoroughfare through the heart of the exhibition, which receives the highest footfall across both days. You'll benefit from 4 branded floor tiles and a carpet run from the entrance to all theatres, branded in a colour of your choice that best reflects your brand identity. *Includes production.

Benefit from the significant footfall generated by being a passport sponsor. Delegates enter this competition by visiting each sponsor's stand, answering the question and placing the completed card in the post box when they leave. Two lucky winners will win a £100 High Street voucher, so it's a prize worth winning and the diabetes community love it. This is by far our best stand-alone tool to make your exhibition stand a busy one.

PROMOTIONAL OPPORTUNITIES

Your logo will be prominently displayed on all show bags, handed out to each delegate *Sponsor to produce.

Have your brand displayed on every delegate, speaker, exhibitor and rival! Sponsor to produce and provide branded lanyards and be one of the most seen brands at the event.

*Sponsor to product

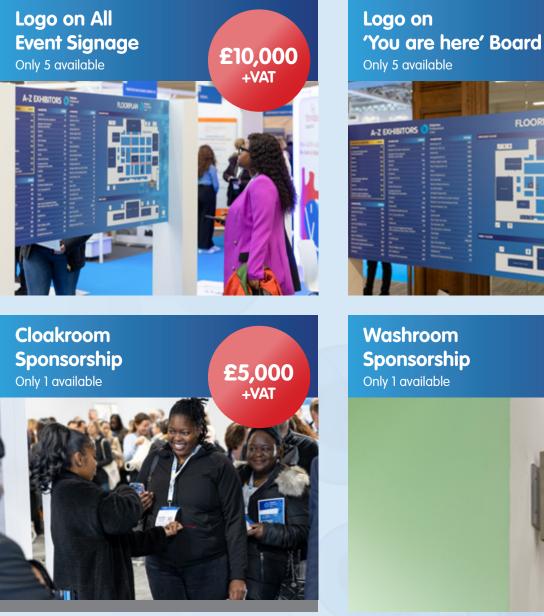

A time-tested tool to raise your organisation's profile among your target audience. Every delegate is handed a bag with your insert enclosed, meaning every delegate will see your promotion.

You receive four 1m x 1m vinyl cut tile into the show floor carpet. You design and choose location; we print and install. Benefits include your brand and messaging being seen by all delegates at the show, helping to drive footfall to your stand. *Includes production
