

## **Data Centre World Awards 2022 – Terms and Conditions**

*Personal data submitted will be processed for the purpose of reviewing your submission and contacting you in relation to the submission. Data may also be used to communicate with you about other relevant CloserStill Media products, you may unsubscribe from these communications at any time.*

### *Awards terms:*

*CloserStill Media reserves the right to disqualify entrants who breach any of the following:*

- Information provided in the entry form must be factually correct and be signed off by the relevant client contact*
- Information must be appropriate and not defamatory*
- Submissions must be relevant to the event and the categories they have been submitted to*

*CloserStill Media reserves the right to move an entry into another category during the judging if they deem it to be a more suitable category for the entry. In this case the entrant will be notified after the judging.*
