BADN LAUNCHES CPD SUPPORT

For immediate release

The British Association of Dental Nurses, the professional association for dental nurses in the UK, will be launching its CPD Activity Log and Personal Development Plan booklets at the Dentistry Show, 18 and 19 May, at the NEC.

The CPD Activity Log and the Personal Development Plan will be available for download by BADN members from the members' area of the BADN website www.badn.org.uk from the end of May.

Hard copies of the two booklets, designed to allow BADN members to comply with the GDC's Enhanced CPD requirements, to be launched for dental nurses in August 2018, will be available to current BADN members from the BADN stand – J98 - situated opposite the Dental Nurse Forum, which is supported by BADN and chaired by BADN President Hazel Coey.

Current BADN members may obtain their copies from the BADN stand (whilst stocks last) upon production of a current BADN membership card.

-Ends-

Notes for Editors:

1. *Founded in 1940, BADN is the professional association for dental nurses in the UK. Membership is open to all dental nurses (Registered, Student and former) working in all areas of dentistry. BADN's Executive Committee (Chair, President, Treasurer and Education Representative) is composed of volunteer dental nurses, elected by members.*
2. *Information on the GDC's Enhanced CPD is available at www.gdc-uk.org/professionals/cpd/enhanced-cpd.*
3. *An article outlining the main features of Enhanced CPD is published in the Spring 2018 edition of the "British Dental Nurses' Journal", available to BADN members through the link in the members' area of the BADN website.*
