Silver Package

Lightbox Wall & Lockable Cupboard Artwork Templates and Instructions are provided on receipt of your stand order

3m High Walls

The components of the Silver Package are the same as the Bronze Package with **3m High** Lightbox Walls replacing 2.4m high Lightbox Walls.

3m High Walls are visually more impressive particularly in areas where surrounding stands are Space Only. Space Only stands are permitted to build to 3m high and sometimes 4m high. Having 3m High Lightbox Walls lessens the likelihood of your stand being overshadowed by stands with higher walls to back and, or sides.

FAQ'S

What Is A 40mm Raised Floor?

Tile blocks are used to provide a 40mm high platform. Internet and power cables run between the blocks to open and front stand area positions. Trailing cables are not permitted to run across stand spaces. 40mm Floors ensure compliance with this regulation

Why Order 3m High Walls?

3m High Walls are visually more impressive particularly in areas where surrounding stands are Space Only. Space Only stands are permitted to build to 3m high and sometimes 4m high. Having 3m High Lightbox Walls lessens the likelihood of your stand being overshadowed by stands with higher walls to back and, or sides.

Can I Keep Wall Graphics?

Yes, Lightbox Wall fabrics pull out of the frame and can be taken away at the end of the event. Please note that we do not reinstall Lightbox Fabric. If not stored correctly the fabric is prone to creasing and fading.

How Do I Provide a Stand Layout Plan?

The [Set Up Your Account](#) section provides advice on Stand Planning. A blank template is provided [HERE](#) for your use.

There Is A lot To Choose From Where Should I Start?

Start with your objectives for your stand – display, messages & functionality. Select package & products which achieve your objectives & your budget.

Carpet Information

To protect carpets during the build period we include Poly Covering.

Exhibitors can remove the covering or request assistance via the Moyne Service Desk.

Moyne are not responsible for damage to the carpet. Replacement carpet is not available at the show

Carpets laid to Raised Floors are better protected against damage from movement of goods on the show floor by other service suppliers during the show build period

Raised Floor Information

18mm Floors are not suitable for under floor cable distribution. To facilitate socket positions to centre / front of stand spaces a 40mm Floor must be ordered.

40mm Floors on stand spaces of over 15m2 require an open side Access Ramp. The ramp measures 1000mm wide x 500mm deep.

Upgrade To Vinyl Floorcovering

For vinyl upgrade option a Raised Floor must be ordered

Electrical Guidance

What You Need To Know

1. Cables From The Position Of Sockets To Appliances Cannot Run Across The Stand Floor, Under Floorcoverings Or Under 18mm Raised Floors

Trailing power cables are a trip hazard and a danger to all accessing the stand space.

Sockets in the centre or to the front of the stand space, will require a **40mm Raised Floor**. To avoid trip hazards, cables are distributed under this floor type to the required position of the socket(s). **Alternatively, with no raised floor, all appliances requiring power must be positioned against Lightbox Walls.**

2. Extension Leads Must Be Maximum 2m Cable Length, No More Than 4 Sockets. One Extension Lead Can Be Used Per Socket Ordered. Power Usage Via The Extension Lead Cannot Exceed The Amount Of Power Ordered

Exhibitors are permitted to provide own Extension Leads. Alternatively they are available to purchase from the Moyne Service Desk at the show

Making Electrics Work For Your Stand

- The position of sockets affects the overall layout of the stand – from the positioning of furniture to accommodate appliances requiring power, to the design of artwork on Lightbox Walls
- The entry position of the venue power supply on your stand may necessitate the installation of a 40mm Raised Floor. We will advise if there is a power duct on your stand.
- The addition of high power appliances such as ovens and Barista style coffee machines may require an independent power supply . Always check the power size of appliances before hiring.
- 24 Hour Power Supplies for fridges or LED computer walls provide continuous power for the duration of the show open period. Standard power terminates during the open period when the show closes.

Power Ducts & Mains Power Boxes

- Power originates from ducts on the venue floor
- One stand on each block will have the power duct for the block, the mains power cable and the mains power box
- Once installed cables / boxes cannot be moved

Oblong box on the show Technical Floorplan indicates position of the mains power supply

Adding Lightbox Walls

Our packages, **Basic**, **Bronze**, Silver & **Gold** include walls to designated closed stand sides. This section provides the option to add Lightbox Walls, 2.4m high, 3m high and Low Level, to gangway open sides and to the internal stand space. This section can also be used to order Lightbox Walls for Island Sites (4 open sides) or for stand sizes that do not have a Package M2 option.

Closing Open Stand Sides : Full Height Lightbox Walls

On most events restrictions apply to closing open sides with walling. Usually one third of the open gangway side length can be closed. For example, on a 3m open side a 1m side Lightbox Wall could be added. These guidelines are at the discretion of the Organiser and are subject to stand plan sign off (submitted on your behalf by Moyne). We provide a plan showing the position of all walls for Organisers sign off.

Think **BIG** and **BOLD** and **KEEP IT SIMPLE**

Messages need to be clear at first glance so that people walking past your stand know:

WHO YOU ARE

WHAT YOU DO

WHO YOU DO IT FOR

HOW YOU CAN HELP THEM

Keep Messages Short to the top of the design and away from obstructions such as tables, chairs, counters and product displays

Put Key Messages And Your Brand On Gangway Wall Ends This way they are visible from all directions

Choose A Small Number Of High Quality, High Resolution Striking Images to make an instant impression. Using one large high resolution image over a large area will create the greatest impact

Use Bold Colours Select 2 or 3 that work well with your corporate / brand colours. Use the selected colours as background for wall graphics artwork and match to counter front artwork. Avoid solid black wall coverage, internal lightbox wall lighting can make black appear green

Use Large, Clear Fonts that can be seen from a distance. Try not to use drawn-out paragraphs of copy, passers-by won't have enough time to read it all

Plan Your Stand Layout Before Designing Artwork People, displays and furniture restrict the visibility of designed artwork. Take into consideration placement of items and people on the stand space

Artwork design should always be briefed after the layout of your stand has been confirmed

Designing A Stand To Meet Your Requirements

Your perfect stand should not only be pleasing to the eye but functional and designed to meet the requirements of your participation on 4 levels:

Before planning your stand layout develop a checklist of requirements for each level:

PEOPLE : VISITORS	Hospitality: Food / Coffee Furniture : Tables, Chairs, Stools, Sofas, Benches, Reception Counter Meeting Room / VIP Area Give Aways Product Demonstration Interactive Participation : Demonstrations, Presentations
PEOPLE : STAND STAFF	Coats / Bags Seating Product Demonstrations, Presentations
PRODUCT	Product Placement : Shelving, Display Cases Product Logistics : Power, Display Screens Product Storage : Lockable Cupboard, Storeroom Product Delivery & Collection : When, How?
DISPLAY	Give Aways Marketing Collateral Product : Shelves, Plinths, Mounted, Hanging...
BRAND	Messages Guidelines : Colours, Logo, Brand / Product Product Placement Visual : Imagery Printed Visual: Electronic

- Over crowded badly planned stands are a deterrent to entry by visitors.
- Improve the flow of your display area by ensuring there are limited physical obstructions or barriers to entry.
- People take up room so always factor in room for your stand personnel and visitors entering your space.

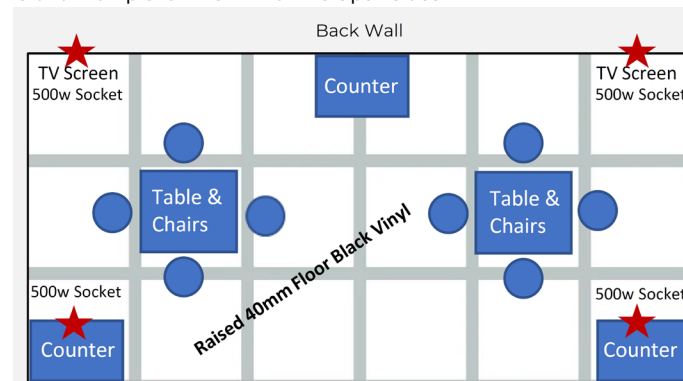

Your Stand Details

Exhibition*	
Stand Number*	
40mm Raised Floor Y / N	

- Print this plan or use PDF edit function
- Draw your stand space on the grid opposite – 1 square = 1m. A 4m x 3m stand would be 4 squares by 3 squares
- Your layout plan should be completed (hand drawn is fine) scanned or photographed and returned to us together with your stand order.
- Heavy items such as Cupboards & Counters, due to weight, will be positioned on your behalf so please provide required positioning.
- Take into consideration that without a 40mm Raised Floor power cables are not permitted to run across stand floor space. Appliances requiring power are best positioned against Lightbox Walls.
- To provide the correct orientation of the stand refer to the show floorplan for surrounding stands. To request a copy of the latest floorplan email info@moyne.co.uk
- Remember to take a copy of your plan to the show

Terms & Conditions Of Hire

1a. In placing a client order with Moyne Live Limited (Moyne) the client accepts, with no reservations, that these Terms & Conditions of business take the place of any other document, prior written or oral; agreement, as well as the client's terms & conditions of purchase or hire.

1b. Moyne's Terms & Conditions of business can only be amended in writing.

1c. The contract will be interpreted and applied in accordance with English Law and the parties to the contract agree to submit to the exclusive jurisdiction of the English Courts.

2a. Except where stated, Moyne's Terms & Conditions of business for the placing of client's orders, their variation and cancellation, will apply to pre payment order forms, site orders and electronic sales orders.

2b. In the event that you cancel an order, even if only advised orally, you will be liable for any work put in hand in order to meet the timescales necessary to complete work to the deadlines of the event for which the work is intended.

2c. Acceptance of a client order will be conditional on timing and on stock availability. Moyne reserves the right to supply in lieu and in place of the equipment ordered, any similar equipment fit for the general purpose of the required items of equipment or service.

2d. In the event of cancellation of a client order by a client, the client will pay to Moyne the labour and material costs of any work undertaken by Moyne in order to fulfill the client order, at Moyne's fully costed rates.

2e. In the event that a client order is cancelled 14 working days prior to build up of event they will be entitled to a 100% refund less administrative costs. (Bespoke items including Custom Build Stands, are chargeable @ 100% cancellation from the time the order is confirmed)

2f. In the event that a client order is cancelled less than 14 working days prior to build the client will be charged 100%.

2g. If for any reason the exhibitor withdraws from the exhibition or the exhibition is cancelled or postponed less than 14 working days prior to build up of show the client will be charged 100%.

2h. Any client order placed on site will be charged at the surcharged price as detailed in the exhibitor manual or as detailed on any prepayment order form.

3a. All prices are exclusive of VAT.

3b. Where a client wishes to amend a client order after work has started on site, the client will be charged in accordance with the terms set out below, for changed client orders. Moyne will only proceed to make any change after a on site order has been signed by the client's representative.

4a. It is the duty of the hirer to provide at such event or exhibition, a duly authorized representative to accept the furnishings and to give written receipt. If the hirer fails to provide for this, he will not be permitted to dispute subsequently the facts of the delivery and be deemed to have accepted the delivery and these conditions.

4b. In the event of non delivery or if the client is not satisfied that the goods or services that have been ordered are delivered in conformity to the Quotation then a member of the Moyne site team must be notified before the open period of the event. If the client is not satisfied with the remedial action taken by Moyne, the matter should be addressed with the senior member of the Moyne site team. 4c. In the event of a dispute that cannot be resolved on site, the client will submit their complaint in writing to Moyne within seven days of the opening of the event. Moyne will consider the complaint and respond to the client within 10 working days.

4d. No complaint will be addressed unless it has been brought to the attention of Moyne's team on site before the open period of the event and a docket has been provided by the Service Desk detailing the complaint before the open period of the event.

4e. If, after return, apparently malfunctioning products are found by Moyne to be to specification and fully operational, then the client will be charged for Moyne's costs in recovering and replacing the item with all costs calculated at the Moyne fully costed rate.

4f. Once the contract is complete, the client will not be able to claim "force majeure" or an act of God against Moyne, as Moyne will be considered to have performed its contractual obligations.

5. Our quoted prices are based on the current costs of materials and labour. We reserve the right to pass on any increase in same, which occur prior to the completion of any work.

6. We do not accept liability for damage to property or goods caused as a result of equipment not provided by Moyne but sourced from a third party.

7. We do not exclude our liability in respect of death or personal injury resulting from negligence by ourselves (but not subcontractors, if any).

8. We do not exclude our liability for loss or damage to exhibits or property of the customer where it has been caused by our negligence, provided that a claim is made within 14 days of the problem being brought to our attention.

9. We reserve the right to charge the customer for any additional costs incurred by works carried out in accordance with a request from any health or safety organisation.

PAYMENT

10a. Unless otherwise agreed, all client orders for items ordered from pre payment forms must be accompanied by full payment.

b. In the event of non payment within the terms detailed on our order form Moyne reserve the right to withhold the goods or services that have been ordered.

c. In the event of late payment, with reference to the terms detailed on Moyne's order form, Moyne reserves the right to charge interest of 3% p.a. over the NATWEST base rate until paid.

11. Save as expressly provided in all these Terms & Conditions, the client shall indemnify Moyne against all actions, claims and demands whatsoever arising from any loss or damage of whatsoever nature suffered by any party as a result of its conduct in completing the contract or complying with any event or site conditions.
