

Learning Technologies Awards 2020

Submission template

Best learning game

Please use the template outlined below to structure your submission. The judging panel will score submissions according to how well they fulfil the specific bullet points outlined below

There is a maximum word limit of 2000 words. Submissions exceeding this limit will not be judged.

Your entry may be disadvantaged if the judging panel is unable to see your submission in action.

You also need to be prepared to provide evidence for claims you make about impact and effectiveness.

Please explain as clearly and concisely as you can how your submission meets the criteria below. Please use these bullet points as headings for each section. This does not preclude you from including other sections, however you should consider the word count if you do so.

- There was a clear rationale for the use of a game approach to meet the requirement.
- The game displays innovation or originality that has been applied to positive effect.
- The use of games has been effectively aligned with learning objectives and outcomes.
- Games have contributed to learner engagement, enjoyment and motivation.
- Games have successfully contributed to learning.
- Games have delivered value for money, particularly in comparison with alternative methods.
- The use of games has made an impact in terms of individual and organisational performance.
