

Learning Technologies Awards 2020

Submission template

Best technology-based onboarding programme

Please use the template outlined below to structure your submission. The judging panel will score submissions according to how well they fulfil the specific bullet points outlined below

There is a maximum word limit of 2000 words. Submissions exceeding this limit will not be judged.

Your entry may be disadvantaged if the judging panel is unable to see your submission in action.

You also need to be prepared to provide evidence for claims you make about impact and effectiveness.

Please explain as clearly and concisely as you can how your submission meets the criteria below. Please use these bullet points as headings for each section. This does not preclude you from including other sections, however you should consider the word count if you do so.

- The programme has a clearly defined set of goals that are integrated with post-onboarding performance requirements
- Text, images, animation, audio, video and other media elements have been used in a way that reflects organisational culture and values
- The employee's onboarding experience has been appropriately personalised
- The programme displays innovation or originality that has been applied to positive effect
- The programme has been well received by new employees
- The programme has had a measurable impact on staff retention rates and speed to competence
