Submission template
Best digital learning transformation programme implemented in response to COVID-19

The judging panel will score submissions according to how well they fulfil the specific bullet points outlined below .

Please use these bullet points as headings for each section to explain as clearly and concisely as you can how your submission meets the criteria. This does not preclude you from including other sections, however, you should consider the word count if you do.

There is a maximum word limit of 2000 words. Submissions exceeding this limit will not be judged.

Your entry may be disadvantaged if the judging panel is unable to see your submission in action. You also need to be prepared to provide evidence for claims you make about impact and effectiveness.

- The need for the digital learning transformation programme was clearly identified, defined and agreed with leaders and other stakeholders.
- The digital learning transformation programme was designed to deliver effective and lasting improvement.
- The digital learning transformation programme made appropriate use of available tools and technologies.
- There is demonstrable evidence of a successful implementation strategy, including alignment with organisational goals, engagement with key stakeholders and ongoing evaluation.
- Learners were supported effectively throughout the transformation programme.
- The project is having an impact in terms of business continuity and individual and organisational performance.
