CONFERENCE & EXPO

See How 2020
Will be Your
Year for
GROWTH

Produced by

Co-located event

Last Chance to Save \$150, Register by February 7
LearningSolutionsCon.com/2020

The Community You Won't Forget

Learning Solutions Conference & Expo is where learning professionals from around the globe have gathered for the past 13 years to share and **explore what works in L&D**. This is your chance to engage with over **1,500 peers**, learn new skills from **150 speakers**, and exchange ideas with over **75 exhibiting companies**. Plus, connect with the AR/VR community that attends Realities360 each year.

Take home best practices from the community and immediately apply them in your work.

Join Your
Community
This Spring

Save \$150 when you register by February 7
Register: LearningSolutionsCon.com/2020

Jump-Start Your Inspiration

Our lineup of keynote speakers will inspire you with stories of creativity, technology, and the future of work itself.

Creativity: Thinking Outside the (Cake) Box

Duff Goldman, Pastry Chef, TV Personality

Join us as Duff Goldman reflects on the stories and inspiration behind his confectionary masterpieces and shows that magic can happen when creativity is king and “no limits” is the mantra.

Sponsored by

How VR & AR Technologies Enhance Workforces to Transform the Enterprise

Jaimy Szymanski, Industry Analyst & Founding Partner

Discover the benefits of AR/VR use cases over traditional approaches, catalysts driving AR/VR adoption within corporations, and more.

Sponsored by

The Future of Learning and Work

Michelle Weise, Senior VP of Workforce Strategies & CIO

Dr. Weise will examine how education and training must transform itself to support the workplaces of tomorrow. You will walk away with a new view on your work and how it may need to evolve in the future.

The Next Decade of Instructional Design

A Guild Master Ignite Presentation

Join Guild Masters Jane Bozarth, Julie Dirksen, Nick Floro, Connie Malamed, Megan Torrance, and Chad Udell as they explore unique takes on the future of instructional design in this fast-paced Ignite session format.

Explore 120+ Sessions >>>>>

Empower Your Work

The Learning Solutions 2020 program delivers over 120 dynamic sessions covering eLearning best practices, how-tos, case studies, and emerging trends. Jump into the topics that best fit your needs, and learn more about the tools and strategies for creating effective learning experiences.

More than Just a Conference Included in Your Registration

Learning Solutions hosts special events that give you even more opportunities to discover new insights, skills, and people—extending your conference experience beyond session rooms.

How I Made This

Monday, March 30th, 4:30p – 6:00p

Experts step up to the workbench to show you exactly how to craft creative solutions that will really fire up your next eLearning project.

Presentation Roulette

Monday, March 30th, 6:00p – 7:00p

During our L&D-themed improv event, you will meet new people, see the speakers you know scramble to make a weird presentation work, and, best of all, have a great time.

Speed Project Reviews

Tuesday, March 31st, 1:00p – 2:00p

Part peer review, part speed dating, you'll pair up with another attendee, give your thoughts on the strengths and areas for improvement for each other's projects, and then switch partners...

Game Crawl

Tuesday, March 31st, 6:30p – 9:00p

Sample a wide variety of games, learn from their game mechanics, and have fun with your fellow attendees. It's the perfect mix of networking, games, and learning!

COMBINED EXPO >>>>>>>

Your Solutions: Here & Now

The Learning Solutions and Realities360 Expo

March 31 & April 1

Meet and connect with **75+ top suppliers** of leading learning tools, technologies, and solutions at the Learning Solutions and Realities360 Expo.

Broaden your knowledge with four featured Expo learning stages that will host **40+ sessions**.

Connect at the Expo Reception

Sponsored by

Wrap up your first day with appetizers and drinks at the Expo Reception. This is the time to really connect with conference speakers, colleagues, and leading eLearning suppliers.

Be Inspired by DemoFest

Sponsored by

Explore real-world projects created by your peers at the attendee-favorite, DemoFest. Meet the trailblazers who created solutions and learn about the tools, technologies, and processes used to build them.

Explore Tech at the AR/VR Learning Lab

Put on a headset and explore today's leading augmented and virtual reality platforms and the hottest applications highlighting their potential for organizational learning.

GET YOUR FREE EXPO+ PASS

The Expo is included in a full Learning Solutions registration. Not going to the full conference? You can sign up to attend the Expo for free here:

Co-located Conference:

REALITIES360

Conference & ExpoSM

Realities360 dives deep into the conversations around AR and VR technologies and **together with Learning Solutions, you will gain the context needed** to add AR and VR into your organization's L&D strategy.

Included in your Learning Solutions registration is full access to Realities360 at no additional cost. Realities360 is the premier conference in our industry that takes a deep, focused look at the design, development, and strategies that make AR and VR successful tools for learning and development.
