## Baby Change and Feeding Facilities

### LOOKING AFTER OUR YOUNGEST VISITORS

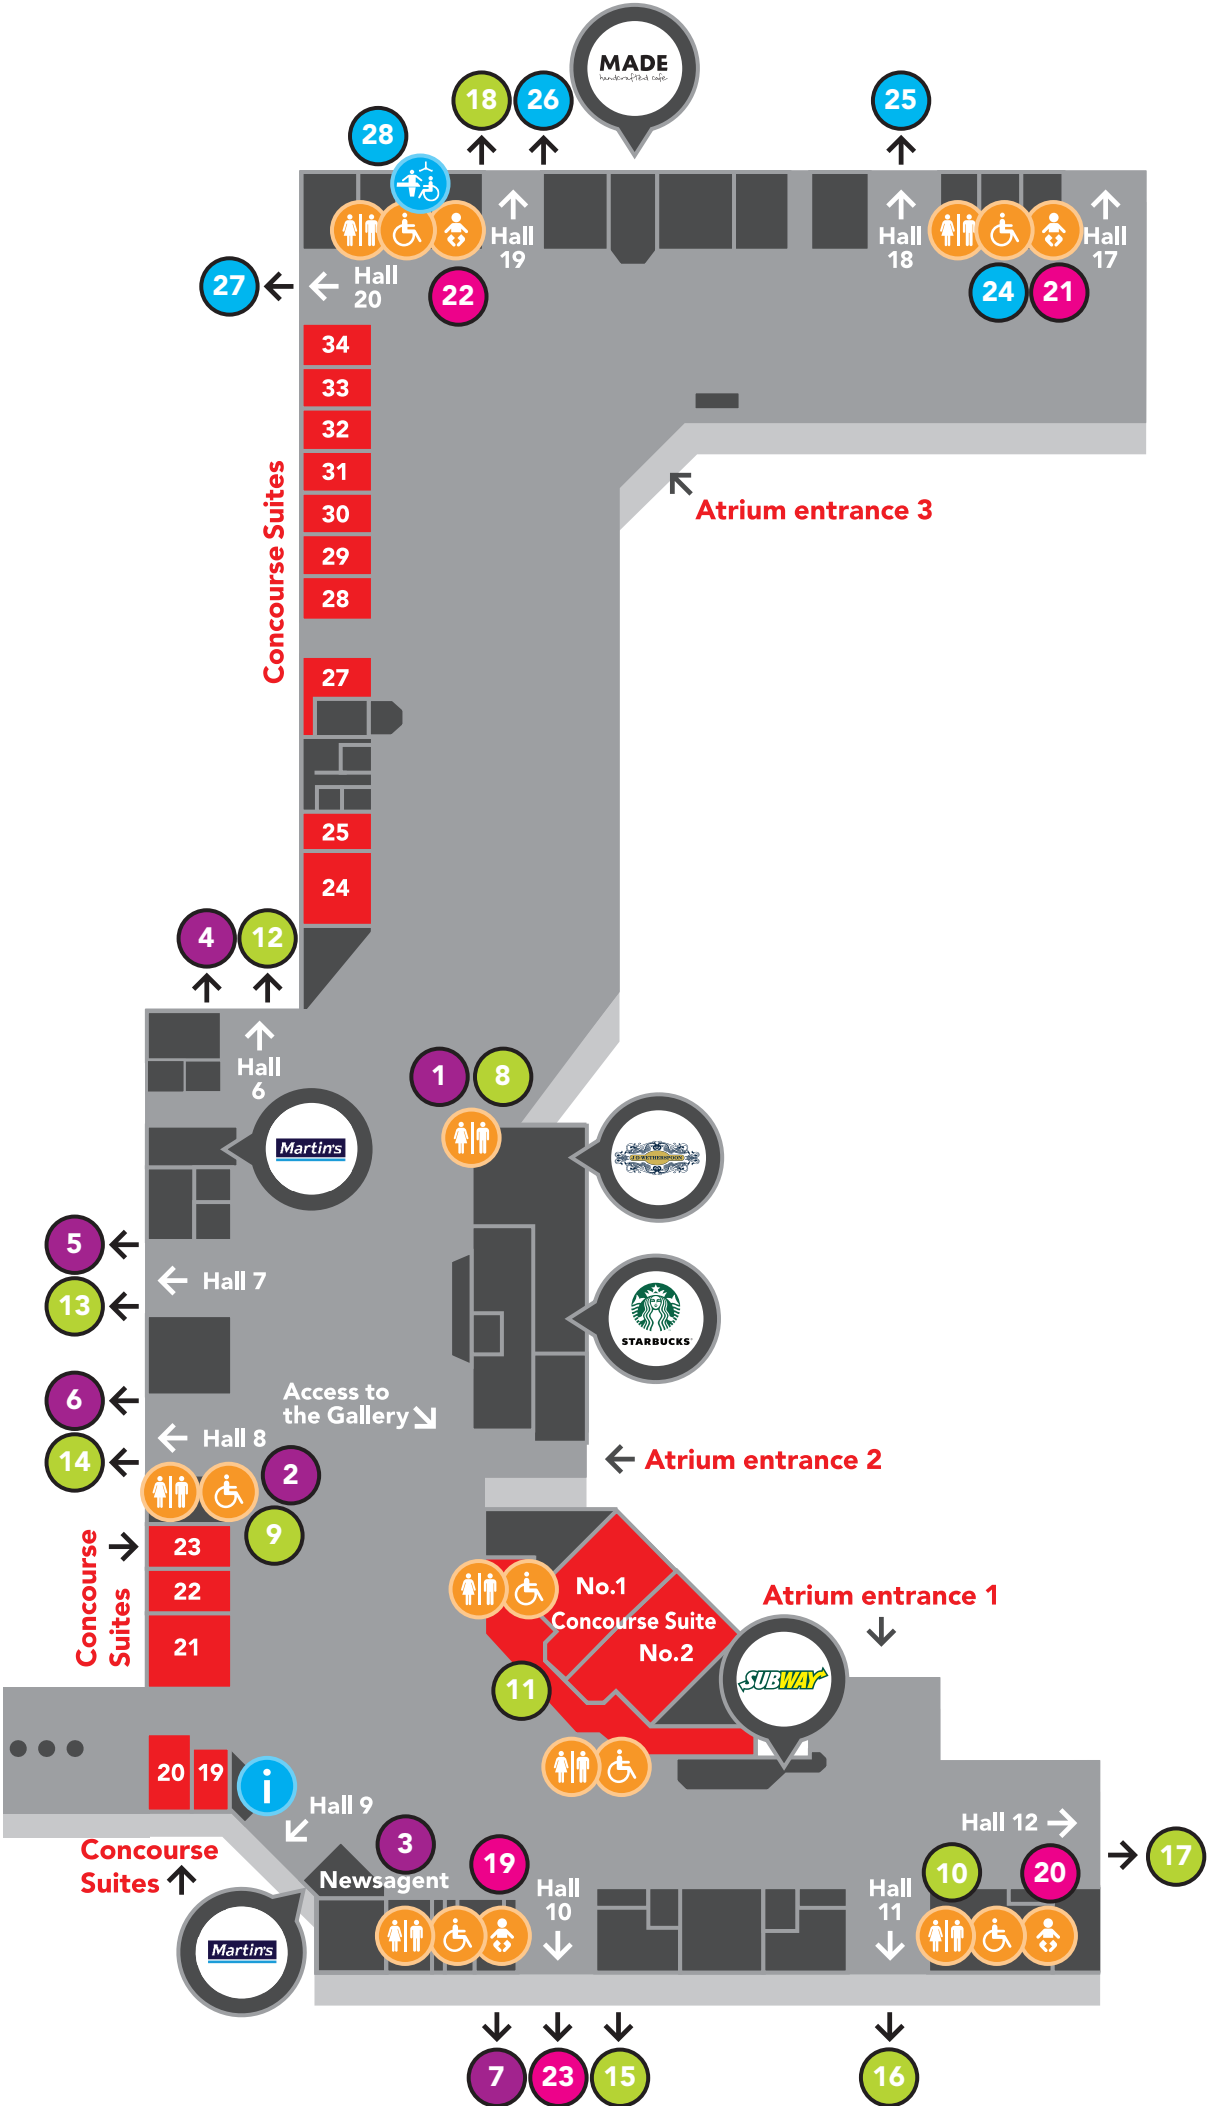

As a parent or carer of a young child, we know that it's important to make sure you have the right facilities to look after them on a day out - to ensure their visit to the NEC is just as enjoyable as yours. Here is an overview of the baby change and feeding facilities available at the NEC.

### ADDITIONAL FEEDING FACILITIES

Please note, in addition to the facilities in this leaflet, our in-hall restaurant pods have an Avent bottle/food warmer, available on a self-serve basis for visitors to use. Tommy Tippee Thermos Flasks are also available at Wetherspoon outlets at the NEC.
