Welcome

to the Care Show Birmingham 2024

The Care Show team are delighted to welcome you to the biggest and best Care Show Birmingham yet! With 250+ exhibitors and 230+ speakers, we are thrilled that you are joining us in uniting a community of social care professionals from across the sector.

With new feature zones, exhibitors, and speakers to interact with and learn from, Care Show Birmingham really does have it all! Put your mind at ease and book a session at CQC's 'Meet the Inspector' to find the answers you are looking for. Head to our Sustainability Zone, created in partnership with Grace Cares to discover leading eco-friendly practices and innovations. Or discover Five on a Bike and join in the Caring Conversations to share your stories and discuss the most important topics in the sector. With the hustle and bustle of networking, don't forget to grab a coffee at our Café and if it's a moment's peace you need, head on over to our Quiet & Relax Room for a minute to unwind. Discover innovation like never before at The Care Innovation Hub created in partnership with National Care Forum and share your day with the world through photos on social media with hashtag #CareShowBHAM24!

Guided by our esteemed advisory board, we are also proud to present over 100 conference sessions compiling a comprehensive conference programme spanning eight theatres across the show floor, including The Learning Lounge in partnership with The Outstanding Society. With over 230 speakers primed to share the latest guidance and best practice to tackle current priorities and challenges within the sector, our programme offers a broad range of topics delivered to inspire and educate. Discover tips and tricks for top leadership skills, gain practical advice on funding and finance, explore a whole new world of technological innovation and so much more!

Along with a huge thank you to our wonderful speakers and their commitment to knowledge-sharing, we would also like to extend a massive thank you to each of our exhibitors and sponsors whose support has been instrumental in creating such a wonderful show.

And finally, to all our amazing attendees: your presence and support fuels our passion and we are more dedicated than ever to celebrating the care sector and your invaluable work within in.

Enjoy your day of learning, networking, and celebrating the community spirit of the care sector!

What's On?

CQC 'Meet the Inspector'

Attend a Care Keynote address from James Bullion, Chief Inspector of Adult Social Care and Integrated Care on Thursday 10 October. You will find him at 13:45 at the Care Keynote Theatre. First come, first served!. Why not also head over to the 'Meet the Inspector' area and have a relaxed, face-to-face conversation with a CQC inspector. Not sure how to navigate the provider portal? Unsure how to evidence each quality statement? Need more guidance on how ratings are calculated? With the rollout of the single assessment framework and changes across the sector, this feature provides the perfect opportunity to have your questions answered and discover how to excel in your next inspection.

Sustainability Zone

Grace Cares has partnered with Care Show Birmingham 2024 to make a remarkable impact, spearheading initiatives that underscore their dedication to sustainability in the care sector.

Follow the journey of Grace Cares on the sustainable, interactive zone. You will find the final 6 pimped up zimmer frames and have your say on which will be the national winner!

Attend the launch of The Sustainability Guide for Care Managers: Did You Deliver Sustainable Care Today? by Hannah Montgomery and Mark Topps. You can also make your own sustainability pledge by scanning a copy of the guide.

CEO of Joshs Care, Lauri Smith, will talk about her carbon journey as a domiciliary care provider. There will also be visual examples from Veolia to demonstrate the waste in care.

The Care Innovation Hub

Hosted by National Care Forum, find the latest products and services for the care sector.

This annual incubator programme brings together innovators and problem solvers with care providers and people who have lived experience to create solutions to key challenges faced by the care sector.

Following the Care Innovation Challenge back in June, five finalists were chosen to represent the most cutting edge solutions. You can meet all of them in this zone, hear from the innovators in-person and find out more about their journey.

The winning team will receive £1,000 in prize money and further mentoring to develop a viable business.

Caring Conversations with Five on a Bike

Hear from our speakers and other industry experts as they sit down with Five on a Bike to discuss about key topics impacting social care. This is your chance to sit down to hear their stories - like they're right in your living room!

Home Care Lounge

Visit the dedicated area to meet other domiciliary care providers and share your experiences.

Retirement Living Lounge

Meet and network with professionals from different areas of the retirement living community in the dedicated lounge.

RETIREMENT LIVING SHOW

Creating independence for senior living

Sponsored by:

Welcome to the Retirement Living Show!

This event offers access to sector giants and trending topics within retirement living. Given the close ties between retirement living and the care sector, co-locating these two events creates an ideal environment for you to maximise your knowledge and skills.

You are joining us for this fantastic opportunity to delve into the latest developments and insights in the rapidly expanding sector. From securing financing, identifying prime location, managing construction, refining your business model to attract clients, navigating legal intricacies and architectural considerations, all the way to promoting affordable living options – the Retirement Living Show promises a wealth of practical knowledge from retirement living providers, prominent developers, legal and financial experts.

This is also a great opportunity for you to network with a wide range of peers who share your passion for the retirement living sector (and yes, we are aware there are a lot of different terms for retirement living, maybe you could make it a game to debunk which one is the true winner). Come together to engage in meaningful discussions on the most pressing issues and emerging trends within the sector.
