### *Short Bio About Issa*

Issa is a race equalities advocate & regular speaker on equality and diversity on podcast, panels and international conferences. She is a founder & trustee of the British Veterinary Ethnicity and Diversity Society (BVEDS) now in its 7th year. She speaks on a number of topics including allyship, diversity & inclusion, anti-racism, neurodiversity and mental health.

She is a farm veterinary surgeon with over 15 years of clinical experience and a Lecturer in farm Veterinary Clinical Practice at Surrey Vet School, and is a winner of a Collaborative Award for Teaching Excellence. She holds an MSc in Ruminant nutrition and previous BSc in Animal Physiology. As a director of Affinity Futures Consultancy and for over 5yrs, has been offering allyship training and equality consultancy to veterinary organisations. Issa is the founder of the Courageous Conversations Conferences the UK's first dedicated veterinary diversity conference held in 2020 and 2021.
