Short Bio About Leah

I work as a Diversity and Equality activist and educator with a focus on the LGBT+ and Active allyship communities. I'm involved with the work of BVCIS, BVLGBT+, and BVEDS, and I deliver training as part of the Affinity Futures Consultancy, facilitating the Active Allyship workshops at numerous veterinary conferences.

Experienced in providing support throughout the whole business in every aspect of the Veterinary industry functions to aid the achievement of company goals. Proven ability in understanding business requirements and the need to align business and people activities to meet business objectives. An effective communicator at all levels. Leah promotes diversity, inclusivity, and sustainability in the workplace.
