Welcome...

THE APEX OF THE VETERINARY CALENDAR

Get ready to dive into two action-packed days with **425+ industry leading exhibitors** and **450+ inspiring speakers**. The London Vet Show has been built with you, the veterinary community, at its core, in collaboration with leading education partners to ensure that every session, speaker, and experience delivers meaningful, practical value.

The veterinary landscape is evolving rapidly, and so are we. That's why we've introduced a range of **brand-new content** designed with your professional journey in mind.

Whatever your role in the veterinary profession, you'll find CPD that's tailored to your needs, plus chances to connect, collaborate and recharge with like-minded peers, all in formats that maximises value without taking you away from your clinic for too long.

This pre-event guide is your first look at what's to come. New ideas, new connections, and new energy for the year ahead. We can't wait to see you walk through the doors, take it all in, and leave feeling empowered, informed, and inspired.

Inside this guide, you'll find a first look at our 2025 programme preview, featuring **four brand-new theatres: RVC Farm Theatre, Equine Referral Theatre, The Studio and The Business Lab**, each designed to bring fresh perspectives and practical takeaways to your day-to-day practice.

Thank you for being part of this extraordinary community. See you in November!

True to form, the Vet Show is back in 2025 with exciting new features waiting for you to discover. Explore future-ready business sessions in the Business Lab, led by savvy independent practice owners. For the first time, the Petplan Veterinary Awards are heading to the capital, bringing sparkle to London. Plus, we're shaking things up with a brand-new theatre like you've never seen before: The Studio. Read on for just a taste of what's fresh and exciting in 2025.

BUSINESS LAB

Business Lab

Join 45-minute dynamic workshops led by experienced independent practice owners, designed to tackle real-world business challenges and spark fresh ideas. With just 25 spaces available per session, take advantage of this unique peer-to-peer learning experience in the Business Lab. You will be able to book your place through the official London Vet Show app in September. **Check out the programme on page 12!**

THE STUDIO

Introducing The Studio at the London Vet Show 2025, your platform to share ideas, groundbreaking research, and community-driven initiatives. The Studio is more than just a theatre; it's a vibrant hub where veterinary professionals come together to make an impact. A new space at the London Vet Show, where new ideas are nurtured, meaningful discussions spark, and forward-thinking projects are driven. This is where new voices are heard, and impactful change begins. **Head to page 23 to view the programme preview.**

**NEW
PRACTICE
ACADEMY**

In collaboration with:

THINKING OF OPENING AN INDEPENDENT PRACTICE?

The initiative is designed to address the evolving needs of veterinary professionals and to empower them with the knowledge and skills necessary to open their independent veterinary practice.

By providing a dynamic platform for continuous learning and growth, NVS Group and the London Vet Show are committed to supporting participants through offering multiple conference sessions, networking opportunities and one-on-ones with relevant exhibitors.

HOW CAN THE NEW PRACTICE ACADEMY HELP YOU?

- ✓ **A discounted ticket to London Vet Show 2025.**
- ✓ **Personalised and unique communication** from NVS Group & the London Vet Show with continuing support and education throughout the year.
- ✓ **Curated content and features** at the event, find sessions specifically designed to support you and exhibitors to meet for one-to-one interactions.
- ✓ **Exclusive high-level panel discussions** with NVS Group in the Business Theatre & Community Mastermind specifically on setting up a new practice, exploring funding, business plans, marketing and up-to-date information and guidance from expert professionals.
- ✓ **A private drinks reception** connecting with other professionals in the veterinary field, including peers and experts, providing an intimate space and forum to talk advice, share stories and build support networks to take further into their journey.

HOW DOES IT WORK?

Apply to participate by **scanning the QR Code** and a team member will be in touch. Once confirmed for New Practice Academy you will receive further email instructions and you will be able to pick up your New Practice Academy collateral at the event.
