PharmacyForum

SHAPING THE FUTURE OF PHARMACY CARE

Connecting pharmacy leaders with innovative suppliers, fresh ideas and industry peers.

A platform for pharmacy leaders

PharmacyForum is OpenRoom's invitation-only networking platform connecting senior leaders from pharmacy groups with carefully selected suppliers through curated one-to-one meetings, peer networking and industry-focused content.

Designed around quality rather than scale, PharmacyForum creates an environment where meaningful conversations, strategic insights and new partnerships can develop naturally.

Focussed on the UK market, PharmacyForum helps industry leaders discover new ideas, strengthen relationships and accelerate growth.

- 25-30 pharmacy groups
- Senior decision-makers only
- Targeted supplier introductions
- Peer networking
- Insight-led content, interactive roundtables and candid discussions with pharmacy leaders

Time is a precious commodity, but the PharmacyForum team have found a great formula for compressing an enormous amount of worthwhile content and contact into a very short period.

MANAGING DIRECTOR, RIGHT MEDICINE PHARMACY

Designed around the priorities of pharmacy leaders

PharmacyForum brings together a carefully selected audience of senior decision-makers responsible for growth, operations, clinical strategy and business performance.

The format is designed to maximise relevance, minimise wasted time and create opportunities for meaningful business conversations.

Personalised supplier introductions
