How it works

- **2 weeks** before the event let us know which vendors you'd like to meet with.
- Using our bespoke matching software, your preferences will then be matched with those vendors.
- **1 week** before the event you will receive your tailored agenda of one-to-one meetings, meaning you know exactly who you'll be meeting and at what time.
- **3 days** before the event, you will be invited to download the VetForum App so you can get ahead of the networking before you arrive.
- You will host your meetings at your own table and the vendors will move from meeting to meeting every **15 minutes** (think business speed-dating).
