FLOOR COVERING

All our stands come with Rewind recyclable carpet as standard, helping you create a sustainable exhibition space.

Prefer something different? Other floorcoverings — from cord and velour carpets, printed vinyls, laminates, to artificial grasses — are available as optional add-ons. With a variety of colours as standard and bespoke ranges available, we can help you match your floor perfectly to your stand theme, giving your space the WOW factor.

GET IN TOUCH!

Send us your stand option, size and the show you are exhibiting at and we will be in touch. Or, if you have a question, need help or just want to chat options through, then please pick up the phone. We are here to help.
