

ELIMINATE UNREPORTED DAMAGE IN YOUR FLEET

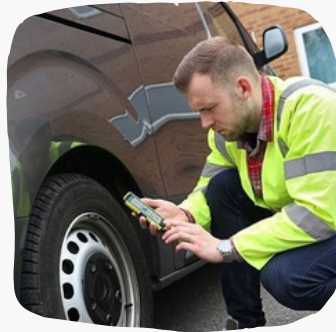

TRUSTED BY RENTAL & COMMERCIAL FLEETS

Unreported damage could cost up to £2k/vehicle

Frequent handovers or vehicles not onsite

Drivers change
frequently or vehicles
are not seen often

Manual process inefficient

Vehicle condition not
documented properly
and consistently

Paper work = Admin overhead

Vehicle status cannot be
easily tracked and
compared

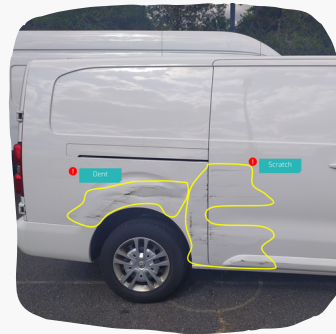

ClearQuote - AI powered inspection app

Intelligent app

Guides users to capture accurate images during daily and weekly checks

Automated damage detection

Powered by AI. Identifies all visible damage on the vehicle

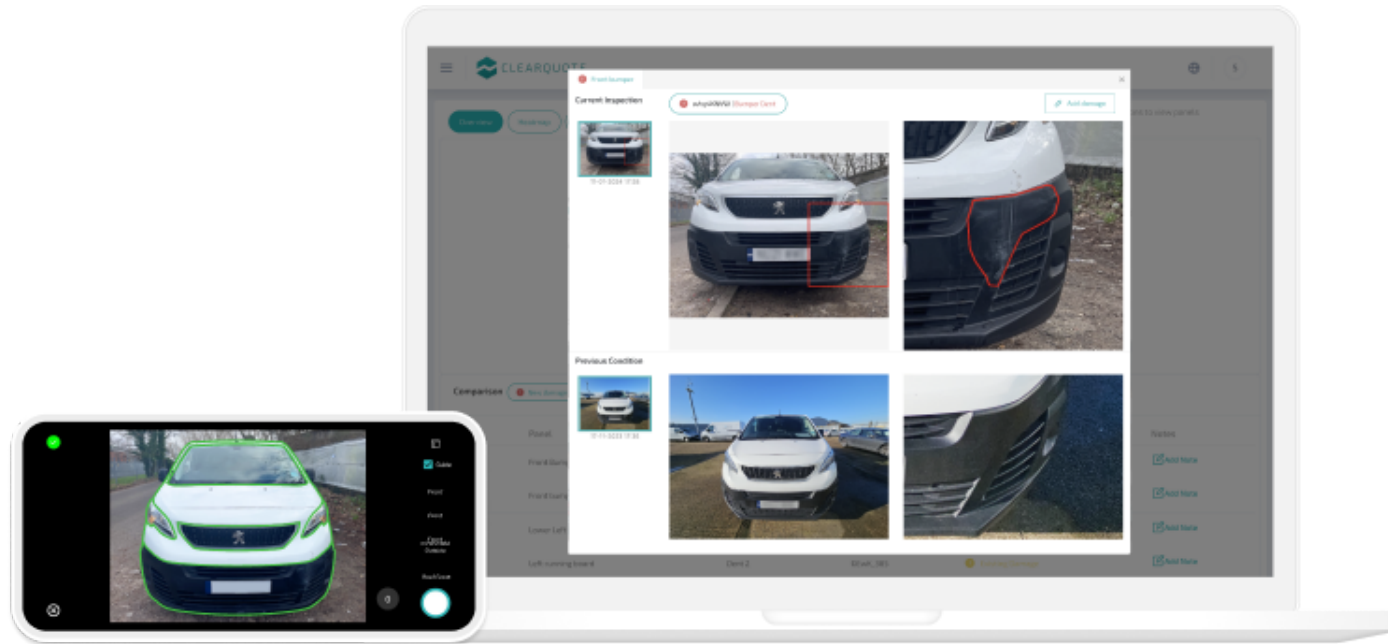

Alerts for new damage

Damages classified as "new" or "pre-existing" automatically

More accountability = Less damage

Lower damage costs
and transparent
recharges to drivers

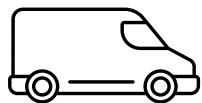

Hours of admin effort
saved

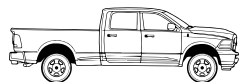

Safer drivers, safer
fleet
