

# DentalForum

# WHERE INNOVATION MEETS PRACTICE GROWTH

Connecting dental leaders with the ideas, partners  
and insights shaping the future of dentistry.

# A global platform for DSO leadership

DentalForum is OpenRoom's invitation-only networking platform connecting senior leaders from dental groups and DSOs with carefully selected suppliers through curated one-to-one meetings, peer networking and industry-focused content.

Designed around quality rather than scale, each forum creates an environment where meaningful conversations, strategic insights and new partnerships can develop naturally.

Across a global portfolio of regional editions, DentalForum helps dental leaders discover new ideas, strengthen relationships and accelerate growth.

# Designed around the priorities of dental leaders

DentalForum brings together a carefully selected audience of senior decision-makers responsible for growth, operations, clinical strategy and procurement.

The format is designed to maximise relevance, minimise wasted time and create opportunities for meaningful business conversations.

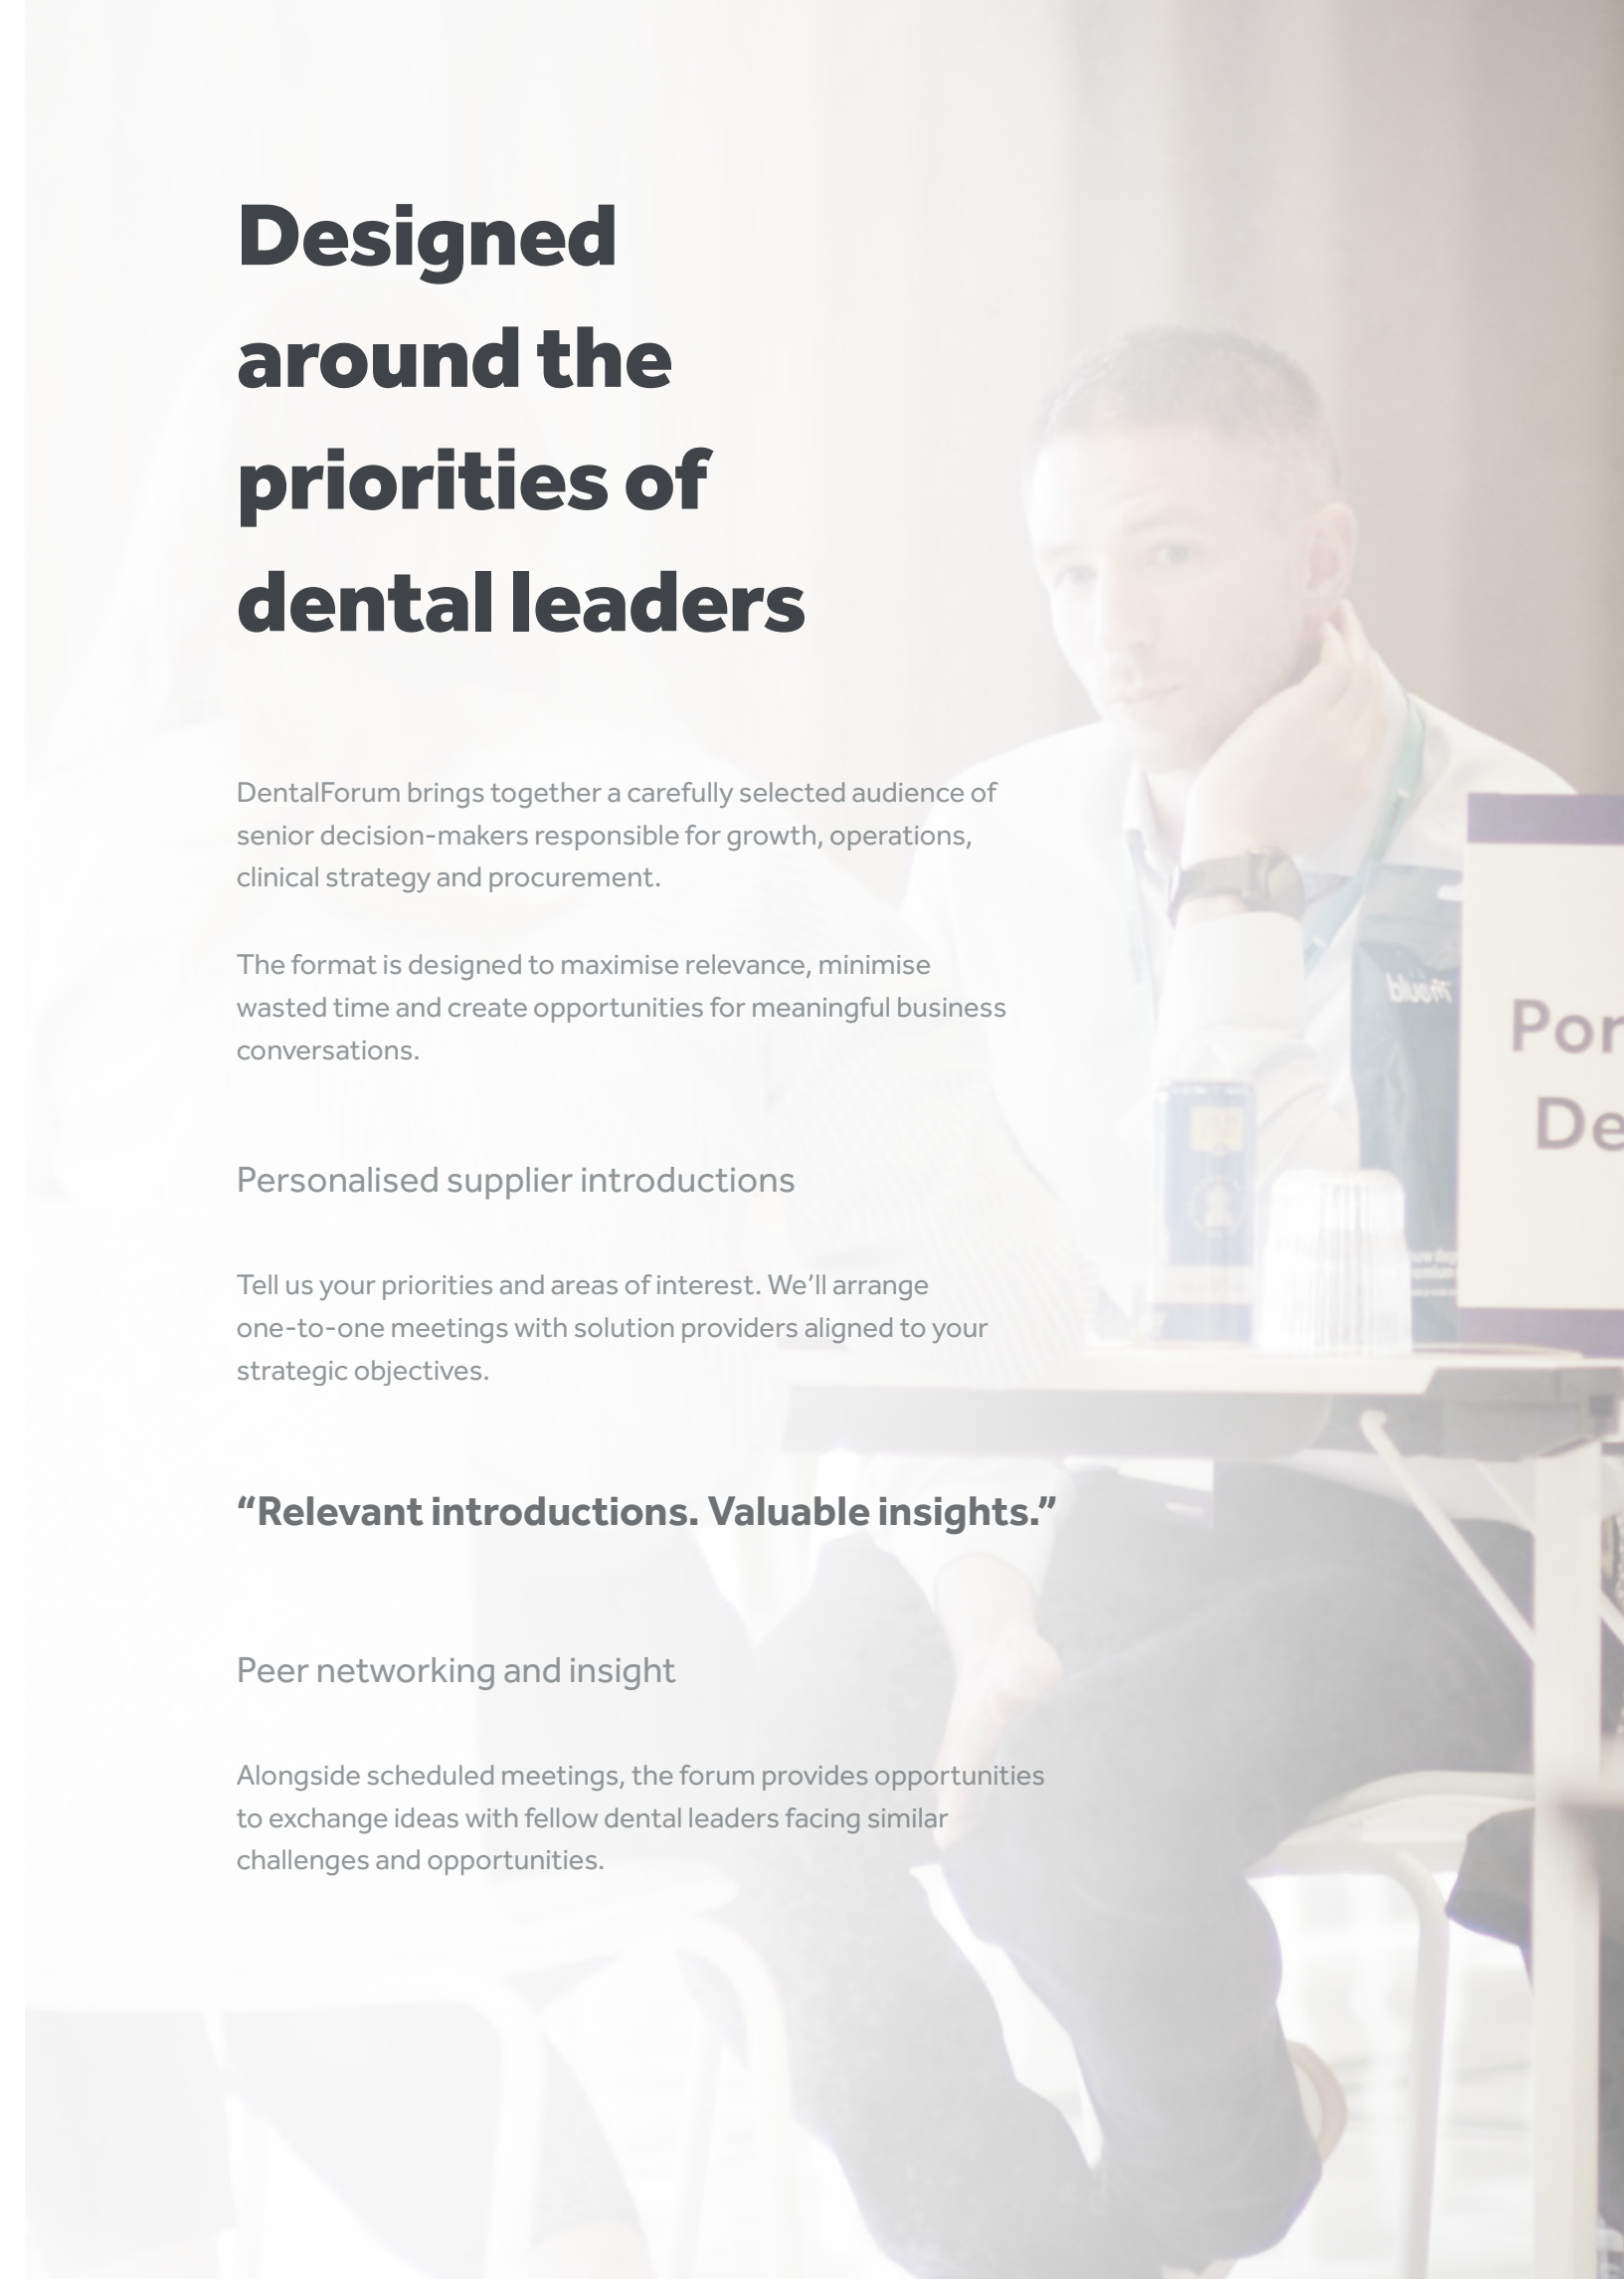

## Personalised supplier introductions

Tell us your priorities and areas of interest. We'll arrange one-to-one meetings with solution providers aligned to your strategic objectives.

**“Relevant introductions. Valuable insights.”**

## Peer networking and insight

Alongside scheduled meetings, the forum provides opportunities to exchange ideas with fellow dental leaders facing similar challenges and opportunities.

# How it works

A fully curated meeting experience designed to make participation seamless, efficient and commercially productive.

# A trusted forum for dental leaders worldwide

DentalForum takes place across four regional editions each year, bringing together senior leaders from dental groups and DSOs across key international markets.

Each forum follows the same proven format while reflecting the opportunities, challenges and priorities unique to its region.

A group of people are seated at a table on a rooftop terrace. The table is set with white linens, glassware, and plates. In the background, a cityscape is visible under a clear sky, with mountains in the distance. The scene is illuminated by the warm light of sunset or sunrise.

# Relationships that drive growth

I was a reluctant participant, but DentalForum was one of the best events I have ever attended. The quality of the conversations, workshops and peer networking created a genuinely valuable industry experience.
