Director of M&A, UK & Europe, Portman Dental

What makes DentalForum unique?

- **Hand-picked attendees:** you only meet with engaged decision-makers.
- **Meet the right people:** CEOs, Managing Partners, Presidents and Clinical Directors attend DentalForum.
- **Focused program of pre-organised meetings with Dental Groups:** straight to the point and no time-wasting.
- **Informal networking agenda:** allowing you to continue discussions and build relationships beyond a formal meeting.
- **Limited competition:** an almost 1:1 supplier to dental group/DSO ratio allows suppliers the best possible exposure.

"It was like a dental Christmas for us manufacturers! The key decision-makers in the dental market segment all in one room, totally engaged in creating strategic relationships with all of us."

Dental Director, Halyard Health. USA

How is DentalForum time & cost-effective?

- **Save time and effort:** All the DSOs are pre-vetted decision-makers with procurement authority. We've saved you the time, effort and expense of arranging these meetings yourself.
- **A single cost with no hidden extras:** Everything is included - just show up, take care of business and let us take care of the rest.
- **Depth of interaction:** Meetings are 15 minutes long, they're private and they're uninterrupted. You won't get this depth of interaction at a tradeshow.
- **No exhibition costs:** With no exhibition stands, displays or staff to worry about, you can focus on building the relationships that will help your business prosper.

"DentalForum delivers unbeatable value. We had high-quality meetings with key decision-makers, thoughtfully matched to ensure meaningful conversations. Plus, the networking outside business settings was fantastic. Highly recommend!"

Co-Founder, Uptime Health, USA

"We met key decision-makers from all major UK Dental Groups in one place - access that would have taken months and tens of thousands of pounds. In just one event, we validated our proposition, built relationships, and secured new contracts."

CEO, CARAGON, UK

How it works

- Sign up and be only one of a small number of vendors in your product or service area.
- Build your profile, company description, logo and photos on your dedicated customer portal.
- **2 weeks** before the event let us know which dental groups you'd like to meet with.
- Using our bespoke matching software, your preferences will then be matched with those of the dental groups.
- **1 week** before the event you will receive your tailored agenda of one-to-one meetings, meaning you know exactly who you'll be meeting and at what time.
- **3 days** before the event, you will be invited to download the DentalForum App so you can get ahead of the networking before you arrive.
- You will attend your meetings at tables hosted by the dental groups and move from meeting to meeting every **15 minutes** (think speed-dating!)
