- **Curated content and insights:** A program built around the priorities of fuel and convenience leaders - exploring operational performance, digital transformation, and the future of forecourt retail.
- **Targeted supplier meetings:** Tell us your business needs and we'll arrange one-to-one meetings with the most relevant solution providers to drive your strategy forward.
- **Meaningful networking:** Build lasting relationships with peers and partners through structured meetings and informal networking in a relaxed, high-quality setting.
- **Complimentary attendance:** One free place per retail group, including two nights' accommodation, all dining, and networking.

"At ReFuel Forum, you're not just meeting vendors – you're gaining global perspectives, discovering new technologies, and sharing experiences with industry peers. For me, it's been truly inspiring."

COO Pakistan, Puma Energy

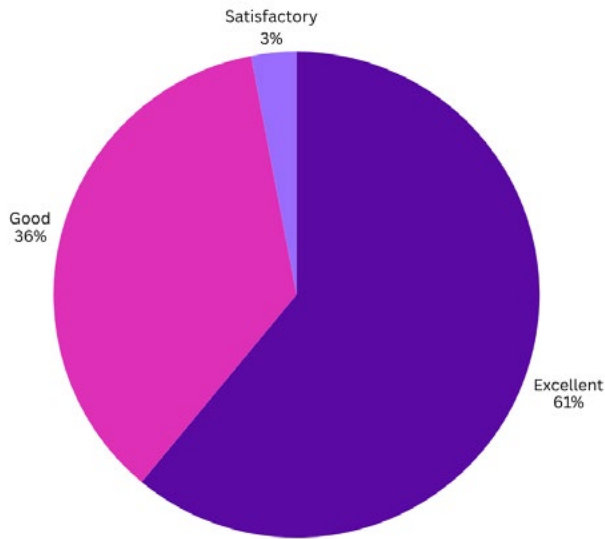

"A shortcut to building relationships that would otherwise take years. Bringing international suppliers to one place makes the world smaller."
CTO, Engen

How it works

- Register and claim your fully hosted complimentary place, including two nights' accommodation.
- **2 weeks** before the event let us know which suppliers you'd like to meet with.
- Using our bespoke matching software, your preferences will then be matched with those suppliers.
- **1 week** before the event you will receive your tailored agenda of one-to-one meetings, meaning you know exactly who you'll be meeting and at what time.
- **3 days** before the event, you will be invited to download the ReFuel Forum App so you can get ahead of the networking before you arrive.
- You will host your meetings at your own table and the suppliers will move from meeting to meeting every **15 minutes** (think business speed-dating).
