Dear [Manager's Name],

I am writing to request funding to attend Therapy Expo, taking place on 27-28 November 2024 at NEC Birmingham. Therapy Expo is a two-day CPD conference designed for therapy professionals, including physiotherapists, sports therapists, osteopaths, chiropractors, soft tissue therapists, massage therapists, acupuncturists, physical training instructors, sports rehabilitators, exercise rehabilitation instructors, and MSK healthcare professionals.

I believe this event would be a valuable opportunity for my professional development. It offers CPD-certified sessions, workshops, and hands-on training led by expert professionals, all of which would help enhance and expand my skills in areas relevant to my role.

Additionally, Therapy Expo features an exhibition hall showcasing the latest products and innovations from 150 world-leading solution providers. This will give me the chance to engage with suppliers, explore new tools and technologies, and assess the best options for improving client care.

The MSK Conference this year is also particularly relevant, with the theme of 'Health Inequalities: Closing the Gap,' focusing on the importance of collaboration in MSK health. The conference will highlight innovative local and national projects aimed at reducing health inequalities and provide a platform for knowledge-sharing, networking, and learning from current industry leaders.
