

# THRIVE & DRIVE

## FRANCHISE OPPORTUNITIES AVAILABLE

### Mobile-Based

Rapid Hose is mobile-based, no need for a brick and mortar shop build out.

### Proprietary Software

The Rapid Hose Dispatch software creates an easy framework to dispatch, track and manage your franchise.

### Low-Mid Investment

Your initial investment is in the low to mid range, allowing you to get started quickly!

## ONSITE HYDRAULIC HOSE REPLACEMENT

Rapid Hose is a B2B mobile van-based franchise for onsite hydraulic hose replacement. Rapid Hose provides a critical service to the construction, heavy equipment and manufacturing sector. Rapid Hose provides an accessible business model that empowers a mechanically inclined individual into business-ownership.

### Service Industry

The onsite mobile hose replacement industry is a time-sensitive & critical service.

### Fast Startup

In just a few months, you can be starting up your own franchise.

### Growth & Scalability

The system offers room to grow through additional vans and/or additional territories.
