

The Most Modern HR & Payroll Platform

Propel Your Franchise's Growth

Paylocity's modern platform simplifies HR processes to give you back time and resources and helps attract and retain employees to grow your business.

Stay Focused on Growth

- Automate and streamline processes from recruiting & onboarding to payroll and expense reimbursements in one platform to ensure compliance and stay focused on the business.
- Make better, data driven decisions and cut through complexity with visibility into key data—plus AI-powered recommendations on how to advance growth and workforce health.

Prioritize Employee Experience

- Set yourself apart in a tight labor market and attract talent with on-demand pay built in.
- Draw employees into the platform daily and build culture with experiences like recognition & rewards.
- Unify communication across all locations to keep employees connected, ensure consistency, and build stronger culture.
- Mobile-first experiences reach employees where they are and simplifies adoption no matter how many locations you have.

Flexible Platform & Integrations

- Combine our end-to-end capabilities for HR with seamless integrations that eliminate disconnected data and tedious manual re-entry.
- 350+ out-of-the-box integrations easily connect Paylocity with ERP, POS, and other business critical systems you use.
- Open APIs provide unlimited flexibility to unify your data.
