# The Regional Developer Model

We offer a Regional Developer (RD) model that is unparalleled in the marketplace. Daddy's Chicken Shack® RD's have a protected territory of at least 1M in population, a minimum 10-unit unit development schedule and a commitment to open at least one location in the territory. From there, you can open as many units as you wish and can have independent franchisees as well to fully develop the territory.

- Open 1 Daddy's Chicken Shack® Location per 100,000 population (10 Total)
  - **Option 1:** Operate all 10 locations as an owner operator
  - **Option 2:** Operate Locations as an owner operator and have franchisees in some locations
- Receive compensation equal to 3% of Gross Revenues from each Franchise Unit operating in your Territory
- Receive \$22,500 compensation for each candidate you qualify in your Territory that becomes a franchisee
