COMPANY OVERVIEW

Ziebart is headquartered in Troy, Michigan, representing a global franchise network of vehicle protection and appearance services. Founded in 1959, the company was named after the German inventor, Kurt Ziebart. From its beginning, the company has been innovative in the products it brings to market, the markets that it does business in, and the way the company is operated.

Ziebart currently operates approximately 400 licensed locations with over 1,300 service centers in 37 countries. Ziebart is the world's leading name in automotive services that renew, protect, preserve, and enhance the appearance of cars and trucks.
