

EVERY BUSINESS DESERVES AFFORDABLE HR SUPPORT. PERIOD.

What is The HR Hotline®

Your very own Attorney-led virtual HR team available to provide your organization with customized, unlimited HR Support by phone, email or chat.

How Does it Work

Whether you have an HR Department or "Someone" in charge of HR, our HR experts can help manage various aspects of your day-to-day HR administrative tasks and workplace issues.

What's Included

A lot! Each client service plan is unique, and can be as robust or as limited as necessary; from hiring, firing, customized policies; payroll processing, compliance; employee questions; the options are limitless!
