

NO BRICK AND MORTAR = LOWER OVERHEAD

Smith's Lube Franchise does not require a brick and mortar shop. All services can be provided from an equipped trailer. This allows technicians to bring the shop to the customer!

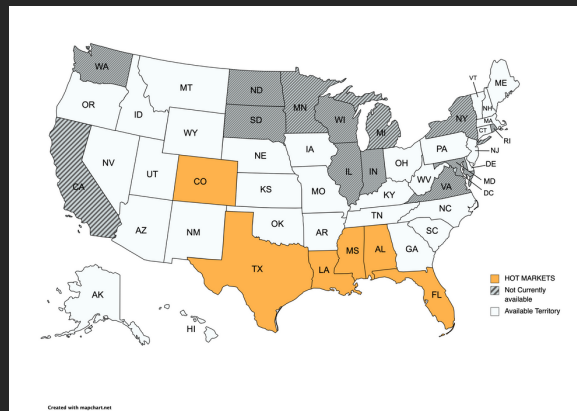

**COMPLETELY
MOBILE
SERVICE AND
REPAIR**

ABOUT US.

Smith's Lube and Repair is a mobile oil and fleet services company headquartered in Lafayette, Louisiana which is just about an hour from Baton Rouge. Started in 2016, we support companies who need to keep their fleet up and running, on the road delivering their products to customers nationwide. We offer convenient automotive and truck maintenance including basic oil changes, tire replacement and repairs, as well as "light duty" mechanical repairs wherever our customers happen to be – either on the road, or at their place of business. With our proprietary technology and programs, we help plan out the right preventative maintenance programs for our customers.

We have several HOT MARKETS waiting for a Smith's Lube and Repair to open in their area.
