Repair Equipment

All States Medical Equipment Distribution, LLC (All States MED) is an innovative company revolutionizing the way doctors and physicians purchase medical equipment. Our mission is to establish strong working relationships with all customers by providing our excellent customer service, competitive sale prices and quality medical equipment repairs.

All States MED understands the importance of customer service and relationship building; just making a sale is not our goal, establishing a relationship is. We pride ourselves in offering competitive prices on New and Pre-Owned equipment as well as repairs, services and preventative maintenance by highly experienced medical technicians. In addition to sales and repairs, All States MED purchases your excess medical equipment.

Shop with confidence online, via phone or in person with one of our representatives. All States MED assures a pleasant shopping experience, quality medical equipment, efficient services and competitive prices.

Please call us for all of your medical equipment needs.
