WE BUY UGLY HOUSES®

“Buying a HomeVestors franchise gave me the freedom to operate a small or large business. It is customizable to my choosing. It has allowed me to make a major impact in my community by supporting families in difficult situations. It has also afforded a comfortable income for me and my family. HomeVestors simplifies the process by providing outstanding back-end support.”

DAVID OFFUTT | Boston Franchise Owner

“I want to help people and provide positivity and inspiration...it is my way of giving back. It is important to understand that real estate is not about the house, it is about people. We help people get out of their ‘ugly’ real estate situations.”

VEE LE | Houston Franchise Owner

“I was looking for something that the harder I worked and the more I put into it, the more I would get out of it. I discovered HomeVestors® and realized it was something you could join and it made a lot of sense to me.”
