

# DailyPay for Restaurants & QSR

**dailypay.**

## DailyPay is the Top Choice on the On-Demand Pay Provider Menu

Give yourself a competitive edge by offering on-demand pay to your restaurant employees. With high turnover in the QSR industry, offering on-demand pay not only helps you deliver a better financial system for your employees, but it helps you to reduce turnover, hire more efficiently and increase employee satisfaction - and happier employees deliver better customer service!

## Why Leading QSR Companies and Restaurants Choose DailyPay

### A Recipe for Success

**52% of users say their opinion of their employer has improved** since they began using DailyPay.
