KICKBOXING FITNESS

Make a meaningful impact in people's lives by helping them conquer their fitness goals with access to convenient, easy-to-navigate studios.

- ➔ Low Entry Costs
- ➔ Small Footprint – 1500-2500 sq. ft.
- ➔ Streamlined Buildout
- ➔ Innovative Studio Technology
- ➔ Turnkey Business Model
- ➔ Multiple Revenue Streams

WHAT'S NEW

PATENT-PENDING STUDIO TECH

Trainer-guided tech helps employees create personalized workouts for members while lowering your labor burden. Video demo screens at each station and voice guidance open up the opportunity for self-guided workouts, making it easy for members to work out 24/7.

MORE MEMBER EXPERIENCES

New service levels allow local studios to appeal to a wider range of customers. Along with our classic 9Round trainer-led workouts, our fitness experiences now include self-guided sessions, one-on-one personal training, and group workshops.

ADDITIONAL AMENITIES

In addition to unlimited kickboxing-fitness sessions, members receive access to the dedicated stretching and functional fitness areas equipped with free weights, versatile benches, a cable machine, and various other equipment. This space empowers you to deliver a one-stop-shop solution to members, and the offering is flexible based on available real estate in your area.
