EASY, FAST GROWING CONCEPT

DELICIOUS SHAWARMA

## MONTREAL'S SHAWARMA

SINCE 1986

For decades, Boustan has been bringing its Montreal twist to classic Middle Eastern food, with quality ingredients, unique flavor, and friendly service.

Boustan prides itself on offering Montreal's favorite shawarma.

Operating your Boustan presents an opportunity to be your own boss, while joining a world-class franchise that is known and loved.

Our experienced team is with you every step of the way, starting with the selection of your location using geographic targeting and demographic profiling data, designing and laying out your store, supporting your opening and providing ongoing training and guidance on controlling costs and inventory for optimum profitability.

## A SIMPLE OPERATION

### KITCHEN & EQUIPMENT

With many ready-to-cook products, our kitchen couldn't be easier to run. Professional, state-of-the-art equipment and efficient workflows allow restaurant teams to focus on providing exceptional customer service.

### PRODUCTS & DISTRIBUTION

We partner with reliable suppliers who prepare our unique, proprietary recipes.

Our streamlined supply chain ensures a consistent product and flavor that our customers have enjoyed for decades.

We work diligently to ensure your ordering process is simple and efficient through our centralized distributor that serves all North American markets.
