## Flat Monthly Pricing for Franchisors Like You!

We believe that hourly billing, although necessary in certain circumstances, can weigh on the relationship between you and your attorney. Spadea Lignana's CORE Subscription Program eliminates any concerns of billing for asking the right questions. Place those 6 minute incremental charges in your "things we used to accept" file. Our goal is to build a long term sustainable relationship by offering a flat monthly fee. If we do a lot of work for you in any given year, it means you are growing which is our greatest hope for each of our clients.
