- Dedicated support from experienced franchise consultants and/or master franchisee, both remotely and on-site

Your initial investment ranges from $807,500 - $1,434,500, including $60,000 franchise fee. There are more than 250 operating AFC centers with dozens more under development across the U.S., but prime territories are still available in most metro areas. AFC has received national recognition from media giants such as USA Today, The Wall Street Journal, The Today Show, and Fox News.

If the idea of a proven franchise with attractive numbers in a seemingly recession-proof industry is worth investigating—let’s talk.
