

THE PURCHASE GREEN FOOTPRINT

North America's largest network
of local warehouse distribution stores.

**THE ARTIFICIAL GRASS
REVOLUTION IS HERE.**

High-demand territories available. Join us!

“

The reason why we stayed with Purchase Green was because of the product warranty, the customer service, and the product itself. The grass is softer, the blades are thinner, it looks more real.

- Prem Penglin
Purchase Green Fresno

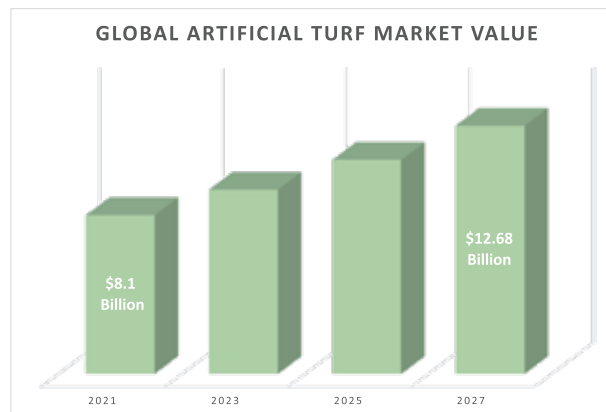

Become the distribution authority in your market for artificial grass.

The Purchase Green model:

- **Where:** Local brick-and-mortar showroom and warehouse store.
- **What:** Quality artificial grass products and accessories from friendly associates.
- **Customers:** Consumers (retail) and contractors (wholesale).
- **Fees:** Franchise fee of \$50K - \$100K for a 10-year agreement.
- **Exclusivity:** Guaranteed territory exclusivity for 10 years.
- **Royalties:** **None.**

ARTIFICIAL GRASS INDUSTRY

The artificial turf market was valued at \$8.10 billion in 2021, and is expected to reach \$12.68 billion in 2027, with a CAGR of 7.8%.*

“

Purchase Green makes distribution very easy. You can open your doors within two months, and it looks and feels like the business has been in place for 10 years. It takes much less effort to start it than if I went solo. Purchase Green did all the research and had it all figured out.
